INDEPENDENCE DAY

ORGANISED BY NSS ON 15TH OF AUGUST 2019

REPORT OF THE PROGRAMME:

We celebrate Independence Day every year on15 August as a national holiday in India to commemorate the independence of the nation from the United Kingdom on 15 August 1947. This was the day on which the provisions of the Indian Independence Act of 1947 came into effect, which transferred legislative sovereignty to the Indian Constituent Assembly. Independence corresponded with India's partition, wherein British India had been divided into the Dominions of India and Pakistan along religious lines.The idea of being an independent nation, where sovereign power lies with us to determine our future, places a huge responsibility on our shoulders. We can not merely say that 15th August is solely about freedom. This day is a plethora of emotions, it reminds us of the pain of being enslaved; of the strength in unity; it defines sacrifice, it gives us an example that some wars can be won with non-violence and of all the things, it makes us value and cherishes the freedom we have today. All the NSS Volunteers participated in the flag hoisting which was done in the College Premise along with other teaching and non-teaching staff on 15/07/2019.
