Feedback analysis report from alumni

At Sacred Heart College for Women, an informal feedback mechanism is utilised for the purpose of collecting feedback.

1. Annual alumni gatherings are platforms for alumni to express their opinions and observations about the college.
2. Departmental alumni gatherings are usually organised where alumni can share their experiences about the departments and the college.
3. Alumni are invited to functions like college day, sports day, jubilee meetings, seminars/talks/webinars which is a venue to contribute their feedback.
4. Online alumni gatherings organised especially during the pandemic helped in compiling feedback from alumni settled all over the world.
5. The informal feedbacks are recorded in the form of alumni reports
6. The alumni generally have expressed very positive and encouraging opinions about the college. A majority have shared that it was Sacred Heart College that has moulded them into the personalities they have evolved into currently.
