Cake Making Training Program at Sacred Heart College Chalakudy

On December 15, 2023, the culinary talents of Sacred Heart College, Chalakudy, took center stage as I M.Sc. Physics student Siji conducted a comprehensive training program on cake making. The event was organized by the Department of Chemistry in collaboration with the Innovation and Incubation Center (IIC). This engaging and informative session provided attendees with a hands-on experience in cake making, highlighting the artistry and skill required in the world of baking.The cake making training program attracted a diverse group of participants, including students, faculty members, and staff members of Sacred Heart College. The session began with an introduction to the basic principles of baking and cake making, covering topics such as ingredient selection, measurement techniques, and baking equipment.

Key Highlights:

Hands-on Experience: The training program offered participants a hands-on experience in cake making, allowing them to actively engage in the baking process under the guidance of student instructor Siji. Attendees had the opportunity to learn various cake recipes and techniques, including mixing batter, baking, and decorating cakes.

Artistry and Skill: Throughout the session, student instructor Siji demonstrated her expertise and passion for baking, showcasing the artistry and skill required to create visually stunning and delicious cakes. Participants were inspired by Siji's creativity and attention to detail, gaining valuable insights into the nuances of cake decoration and presentation.

Interactive Learning: The training program fostered an interactive learning environment where participants were encouraged to ask questions, share their experiences, and exchange tips and techniques with fellow attendees. This collaborative approach enhanced the learning experience and facilitated knowledge sharing among participants.

Outcome:

The cake making training program at Sacred Heart College, Chalakudy, was a resounding success, leaving participants inspired and equipped with new skills and knowledge in the art of baking. Attendees expressed their appreciation for the hands-on learning experience and the opportunity to learn from a talented student instructor like Siji.

The cake making training program organized by the Department of Chemistry and IIC of Sacred Heart College showcased the institution's commitment to providing students and community members with opportunities for experiential learning and skill development. By harnessing the culinary talents of student instructors like Siji, the event highlighted the creative potential and passion for baking within the college community.
