Almost 150 students had attended the session.

Apart from introducing the career opportunities available abroad, the strategies to be devised by a student during her academic span is discussed. Only with a definite orientation and focus can a successful individual be molded as suggested by Mr.Sony Akkara. Students interacted with the team, clarifying the misconceptions, fallacies and doubts.

Canapprove Recruitment Drive

Date : July 1st, 2022 **Venue : Auditorium**

Report:

The Career and Placement Cell has organized an On-Campus Recruitment drive to get selected to the post of Academic Counselors with the Canapprove Educational Consultancy. CanApprove Consultancy Services is a multi-national immigration and education consultancy based in Canada. SH College pass-outs, alumni and women graduates from other colleges could grab this opportunity through the recruitment drive conducted in the college. The notification for the recruitment were sent to all the final year and passed-out students through Whatsapp and website.

There were two rounds for the interview. First was a group discussion round in which students were formed into a few groups. Shortlisted students are taken up for one-to-one personal interviews. Although some students were selected after the interview, students showed little interest due to the condition of immediate joining. Most of the students were pursuing the final year of their Under-graduation or post-graduation. Students considered this opportunity as an experience to attend interviews and GDs as mocks.

Number of students attended the drive - 24
