Class	Paper Code	Portions to be taught
II DC	Ane 203B02T	Phylum chordata - Introduction. Basic chordata characters. Subphylum - Urochordata, classification
III DC	205B08T	Gene and genetic code : Gene concept. Genetic code.

Moth: July

Class	Paper Code	Portions to be taught
II DC	203B02T	Ascidia :- Type, retrogressive metamorphosis
III DC	205B08T	DNA Replication :- Semiconservative and semi-discontinuous, Priming & okazaki fragments, Primers and joining Okazaki fragments Meselson and Stahl expt.
	205B09T	Biostatistics :- Definition scope, role & Statistics in life science, terminology + Variables
II DC open Course	20L5B01T	Reproductive health sex education. Introduction :- Rep. health - problems & Strategies.

Moth: August

Class	Paper Code	Portions to be taught
		Portions to be taught
	2015B037	Sub platform - Vaccinedata & Vaccination
	2015B087	Transcription elongation termination
	2015B097	Sampling & Sample size, Sampling error, methods of Sampling
	Open course 2015D017	Reproductive rights, importance of Sex education for teen and Youth

Moth: September

Class	Paper Code	Portions to be taught
	2015B037	Branches along type & Examples
	2015B017	Module 1 :- Principles and classical nomenclature
	2015B087	Translation, Post translational modification
	2015B097	classification of data, Presentation of data, Tabular, Graphical and Diagram
	2015D017	Infertility and assisted reproductive technologies. Prenatal diagnosis

Moth: October

Class	Paper Code	Portions to be taught
IIDC	20L3B03T	
	20L5B08T	Regulation of gene expression and organization of genome.
IIIDC	20LD01T	Fertility control :- Natural methods + artificial methods. Sexually Transmitted infectious diseases

Moth: November

Class	Paper Code	Portions to be taught
IIDC	20L3B03T	Subphylum Vertebrata - Mullet
IDC	20L1B01T	Module I & II 5 kingdom classification Concepts of classification.
IIIDC	20L5B08T	Genetics of Bacteria and phages.
IVDC	20L5B09T	Analysis and interpretation of data.
VIIDC	20LD01T	Sexual orientation, sexual abuse & myths.

Moth: December

Class	Paper Code	Portions to be taught
		Prawn culture :- Pokkali cultures
		Mussels culture :-
		Pearl culture
		Reproductive technologies :-
		Prenatal diagnosis
		Fertility control
		Introduction and types of eggs
		cleavage and cell lineage.
		Ecosystem - structure and function.
		kingdom Protista.
		Mullet - [illegible] system.

Moth: January

Class	Paper Code	Portions to be taught
		Pisciculture
		Egg collection
		Biology and culture of Indian Major carp.
		Energetics - Ecosystem -
		Productivity of ecosystem
		Biogeochemical cycles and Limnology of lakes
		Human reproductive system.
		Fertilization, Pregnancy, Gestation, Neonatal
		parturition and lactation
		Parameecium :- Conjugation.
		Mullet :- External features - classification.

Moth: February

Class	Paper Code	Portions to be taught
IIIrd		Development of frog Development of chick Development of man. cell differentiation and gene action during dev. Parthenogenesis Expt. Embryology + Teratology Population, Community & Habitat Ecology. Population interaction. Social issues and Envt. Development of chick, Man.
IInd		sub-teresarean Fishes from Kerala.
IInd		Birds - classification.

Moth: March

Class	Paper Code	Portions to be taught
IInd		Columba livia :- Type Morphology, Endoskeleton, Nervous System & Digestive System. classification. Seminars :- Migration of birds. Flight adaptations in birds. Flight Mechanism
