WOMEN EMPOWERMENT

ORGANISED BY NSS ON 27TH OF DECEMBER 2021

Empowering women is essential to the health and social development of families, communities and countries. When women are living safe, fulfilled and productive lives, they can reach their full potential, contributing their skills to the workforce and can raise happier and healthier children. Empowerment aims to move persons from oppressed powerlessness to positions of power.
NSS units arranged a session on women empowerment led by
