Date: 23rd August, 2022

Report:

The T.I.M.E Group is a reputed career guidance and coaching Centre for many competitive examinations including CAT, CUCET, IELTS, GATE, JAM, NEET etc. They are very professional in dealing with students and preparing them for various exams. The Career and Placement Cell has organised this programme for an orientation to the students to help them choose the best career. This is very relevant in this year as the COVID has generated many unpredictable turnings in the job market. So, identifying the best option is very much important for the professional life of our students. The programme was attended by around 100 students who are mostly the final years. The session was led by Mr. Jerin, the faculty and mentor with the T.I.M.E group.
