Typesetting in LaTeX

Date: 10-12-2023

The Department of Mathematics in association with MATHLAB institute, Cochin started a certificate course in LaTeX. The final year PG students were enrolled for this certificate course. The course was conducted through online session which the students could view even after their regular class timings. It helped the students to attain a basic knowledge in LaTeX and in turn complete their final year projects using the same markup language. The students had an online examination to attend. They were provided with the certificates after successful completion of the course.
