CELEBRATING WOMEN IN MATHEMATICS

INTERNATIONAL WEBINAR

On MAY 12, 13 2020

Supported by Committee for Women in Mathematics (CWM)

Link for registration: <https://forms.gle/hFrCShU2UYDuz5FT6>

About the Webinar: May 12 is selected for 'Women in mathematics day' to honour Maryam Mirzakhani (May 12, 1977 – July 14, 2017). She was the only woman to win a Fields medal for her outstanding contributions to "the dynamics and geometry of Riemann surfaces and their moduli spaces". To celebrate the achievements of women around the world in mathematics and to know more about life and contributions of Maryam Mirzakhani, we are organising this live webinar. There is no registration fee and all participants will get e-certificate.

May 12, 2020 (10a.m - 11a.m) : Women in mathematics

Speaker: Dr. Minirani S, Associate Professor, Mukesh Patel School of Technology Management and Engineering, NMIMS Deemed University, Mumbai Campus.

May 13, 2020 (3.30p.m-4.30p.m) : Life and contributions of Maryam Mirzakhani

Speaker: Dr. Nikita Agarwal, Associate Professor, IISER Bhopal.

Organising Committee:

Dr. Vijitha Mukundan (Coordinator) (Ph. +919744503525)

Dr. Nidhin T J (Coordinator) (Ph. +917019044663)

Date : **24, 25 January 2020**

About the College.

Sacred Heart College offers a conducive ambience for achieving academic excellence and for nurturing creativity. The college secured the top most grade with A+, among the non autonomous colleges in Kerala in the re-accreditation by NACC. Upholding the motto "Lux in Tenebris Lucet" (Light shines in darkness), the college has been emerging as a leading institution in higher education both in academic as well as non-academic ventures.

About the Department.

The department of Mathematics commenced in the year 1981 under the leadership of Rev. Sr. Alben. The department has been elevated to post - graduate department in 2014. The faculty of department have research degrees from IIT, NIT and reputed universities. Diversified academic and non-academic activities have been under taken by the department to trigger interest in students for pursuing higher studies in Mathematics.

About the Workshop

Functional analysis is a branch of mathematical analysis that deals with the study of vector spaces endowed with certain topologies and linear maps defined on these spaces. The workshop aims at providing a thorough introduction into the foundations of functional analysis. All the sessions are sequentially arranged.

About the IMRT.

The Institute of Mathematics Research and Training was established in 2015 under the leadership of Dr. K. S. S. Nambooripad. One of the objectives of the institute is to conduct educational training programmes for teachers, researchers and students of schools, colleges and universities.

Program Schedule

24th January 2020

Pi Approximation Day 2020

A webinar in connection with Pi Approximation Day was organized for all the students of the Department of Mathematics on 22 July 2020. The Programme was aimed to celebrate Pi Approximation Day and all students from the college who were interested in Math actively participated. Ms. Aishwarya Paul, Assistant Professor and Head, Department of Mathematics gave a live session on “Mathematics from a Different Perspective”. E-certificates were provided. Almost 121 active participants attended the workshop.

The image shows a YouTube video player interface. The video content features a dark grey background on the left with the title "MATHEMATICS FROM A DIFFERENT PERSPECTIVE" in yellow-green capital letters. A bright green diagonal line separates this text from a photograph on the right. The photograph depicts a minimalist desk setup with a round wooden clock, a white desk lamp, and a potted plant. A small inset video in the top-left corner shows a woman in a pink top. The video player's control bar at the bottom includes a progress bar at 29:10 / 1:26:10, and icons for play/pause, volume, closed captions, settings, and full screen.

Celebrating Women in Mathematics

The Post-Graduate department of Mathematics, Sacred Heart College Chalakudy organized a webinar in connection with 'Women in Mathematics Day' during **May 12 and 13, 2020**. This webinar was supported by Committee for Women in Mathematics (CWM).

May 12 is selected for 'Women in mathematics day' to honour Maryam Mirzakhani (May 12, 1977 – July 14, 2017). She was the only woman to win a Fields medal for her outstanding contributions to "the dynamics and geometry of Riemann surfaces and their moduli spaces". To celebrate the achievements of women around the world in mathematics and to know more about life and contributions of Maryam Mirzakhani, we organised this live webinar.

May 12, 2020 (10a.m - 11a.m) : Women in mathematics

Speaker: Dr. Minirani S, Associate Professor, Mukesh Patel School of Technology Management and Engineering, NMIMS Deemed University, Mumbai Campus.

May 13, 2020 (3.30p.m-4.30p.m) : Life and contributions of Maryam Mirzakhani

Speaker: Dr. Nikita Agarwal, Associate Professor, IISER Bhopal.

A screenshot of a Zoom webinar interface. At the top, a small video window shows a woman with glasses speaking. Below it, a large white slide is displayed with the title "Amalie 'Emmy' Noether" and a bulleted list of facts about her life and work. The slide is set against a dark blue background. At the bottom of the slide, there are four circular icons: a red microphone icon labeled "Mic", a camera icon labeled "Camera", a screen icon labeled "Screen", and a telephone handset icon labeled "Leave". To the right of the slide, a vertical toolbar contains a camera icon, a plus sign, a "53%" zoom indicator, a minus sign, and a document icon. In the bottom left corner of the Zoom window, a green status bar reads "MINIRANI S is presenting".

Amalie 'Emmy' Noether

- Studied Mathematics at University of Erlangen
- Worked at Math. Inst. of Erlangen without pay for 7 years
- Invited by David Hilbert and Felix Klein to join University of Gottingen
- Due to objection from other faculty, lectured under Hilbert's name for 4 years till 1919, till she was approved.

Counting the simple closed curves

Red curves and all blue curves are simple and closed - none of them intersect themselves

- *Delsarte, Huber, Selberg, and Margulis*: Prime number theorem on a hyperbolic surface,
 - number of closed curves of length at most $L \sim \frac{e^L}{L}$, as $L \rightarrow \infty$.
- *Mirzakhani*: on a hyperbolic surface X of genus g (number of holes),
 - number of simple closed curves of length at most $L \sim c(X)L^{6g-6}$,
 - $c(X)$: constant depending on the space X in a very 'nice' way.

Ada Augusta Byron Lovelace

1815-1852

Born in London, England.

- Father was English Poet Lord George Byron.
- Dreamed of meeting Mary Somerville.
- Babbage - "The Difference Machine".
- Babbage - "The Analytical Machine".
- Countess of Lovelace.
- Ada translated an article into English.
- She added notes on the limitations and powers of the machine.
- Signed A.A.L. as unfeminine.
- She thought the computer may be able to create music.
- Cancer of the uterus.
- First to articulate the methodology of computer programming.
- Computer programming language named Ada in her honor.

About the Webinar: May 12 is selected for 'Women in mathematics day' to honour Maryam Mirzakhani (May 12, 1977 – July 14, 2017). She was the only woman to win a Fields medal for her outstanding contributions to "the dynamics and geometry of Riemann surfaces and their moduli spaces". To celebrate the achievements of women around the world in mathematics and to know more about life and contributions of Maryam Mirzakhani, we are organising this live webinar. There is no registration fee and all participants will get e-certificate.

May 12, 2020 (10a.m - 11a.m) : Women in mathematics

Speaker: Dr. Minirani S, Associate Professor, Mukesh Patel School of Technology Management and Engineering, NMIMS Deemed University, Mumbai Campus.

May 13, 2020 (3.30p.m-4.30p.m) : Life and contributions of Maryam Mirzakhani

Speaker: Dr. Nikita Agarwal, Associate Professor, IISER Bhopal.

Organising Committee:

Dr. Vijitha Mukundan (Coordinator) (Ph. +919744503525)

STAY HOME, STAY SAFE, BE CONNECTED.

A huge number of participants all over India, attended this two day webinar through Gotomeeting platform. Certificates were issued to all the participants and resource persons. Moreover, we received excellent feedback from all the participants.

National Workshop on Functional Analysis

A two day National Workshop on Functional Analysis for the first and second years of MSc programme and third year of BSc Programme in Mathematics was organized by the Department of Mathematics during 24, 25 January 2020. The workshop was conducted motivated students to learn this area, Functional Analysis, in Mathematics seriously and deeply. Also, the workshop equipped the learners for working out problems in the area. The resource persons were Prof. E Krishnan, Dr. A R Rajan, Dr. Ramesh Kumar and Dr. M N N Nambhoodhiri. Almost seventy active participants attended the workshop.

The poster features a dark blue background with geometric shapes. On the left, there is an aerial view of Sacred Heart College. On the right, there is a photograph of the college's main building. The text is arranged in a clean, professional layout, listing the organizing committee and resource persons. The Sacred Heart College logo is prominently displayed at the bottom left.

About the College.
Sacred Heart College offers a conducive ambience for achieving academic excellence and for nurturing creativity. The college secured the top most grade with A+ among the non autonomous colleges in Kerala in the re-accreditation by NACC. Upholding the motto "Lux in Tenebris Lucet" (Light shines in darkness), the college has been emerging as a leading institution in higher education both in academic as well as non-academic ventures.

About the Department.
The department of Mathematics commenced in the year 1981 under the leadership of Rev. Sr. Alben. The department has been elevated to post-graduate department in 2014. The faculty of department have research degrees from IIT, NIT and reputed universities. Diversified academic and non-academic activities have been under taken by the department to trigger interest in students for pursuing higher studies in Mathematics.

About the Workshop
Functional analysis is a branch of mathematical analysis that deals with the study of vector spaces endowed with certain topologies and linear maps defined on these spaces. The workshop aims at providing a thorough introduction into the foundations of functional analysis. All the sessions are sequentially arranged.

About the IMRT.
The Institute of Mathematics Research and Training was established in 2015 under the leadership of Dr. K. S. S. Nambooripad. One of the objectives of the institute is to conduct educational training programmes for teachers, researchers and students of schools, colleges and universities.

National Enrichment Program in Mathematics 2020

A ten day workshop was conducted during 15-24 July 2020 for the undergraduate students all over India to develop their knowledge in Mathematics. The program aimed to facilitate the students in preparing for entrance exams for the postgraduate studies by conducting lectures, providing assignments and conducting testpapers. The resource persons were Dr A Vijayakumar, Dr Didimos K V, Dr Shinto K G, Dr Dalu Jacob, Mr Tonny K B, Dr Vijitha Mukundan, Dr Nidhin T J and Ms Linet Roslin Antony. About 200 students participated in this program and considering their participation, 193 were provided with certificates.

About the Program

A program to all those who are aspiring to have a brighter future in the field of mathematics. This program gives the graduate students an opportunity to develop their knowledge about mathematics. It is a bridge course for all who are planning to pursue post graduate course in mathematics. Also it will facilitate preparation for IIT-JAM exams. It provides a platform for every students to get access to lectures by various prominent faculties of diverse colleges. We provide assignments and conduct test papers to evaluate every participants. The submission of assignments are compulsory. The aggregate of assignments and test papers will be considered to avail the e-certificate. A minimum of 40% in both are required. During this pandemic let us join together to develop our inquisitiveness.

International Seminar in Theory of Semi Groups

The Post-Graduate department of Mathematics, Sacred Heart College, Chalakudy organized an International Seminar in Theory of Semi Groups sponsored by Kerala State Council for Science, Technology and Environment and supported by DST, Govt. of India, in connection with 'National Mathematics Day' on 27th February 2020. The event was organized in honor of Late Dr. K.S.S. Nambooripad, a world-famous Kerala Mathematician who passed away on January 2020. There were around 60 participants from various colleges in Kerala.

Session 1: Theory of Regular Semigroups: 'Nambooripad's Perspective'

Speaker: Dr. Azeef Muhammed P A, Assistant Professor, Prince Muhammed Bin Fahd University, Kingdom of Saudi Arabia, Post Doctral Fellow, Ural Federal University, Russia

Session 2: Mathematical Enrichment Program

Speaker: Dr. Ramyamol P C, Assistant Professor, Govt. Poly Technic, Vechoochira.

K. S. S. Nambooripad

K. S. S. Nambooripad (born 6 April 1935) is an Indian mathematician who has made fundamental contributions to the structure theory of regular semigroups. Nambooripad was also instrumental in popularising the TeX software in India and also in introducing and championing the cause of the free software movement in India

He was with the Department of Mathematics, University of Kerala, since 1976. He served the Department as its Head from 1983 until his retirement from University service in 1995. After retirement, he is associating with the academic and research activities of the Center for Mathematical Sciences, Thiruvananthapuram in various capacities.

KSCSTE

The Kerala State Council for Science, Technology & Environment (KSCSTE) is an autonomous body under the ministry of Science & Technology, Kerala, constituted in November 2002 to be an agency for change and development through science & technology. The council promotes and activates programmes for increasing the stock of knowledge in Science. KSCSTE is co-ordinating the state level activities in connection with the observance of National Science Day.

Variables

- ▶ trends in voting,
- ▶ swings in votes,
- ▶ number of votes polled or percentage of total votes polled
- ▶ historical voting data (or simply put the data from a particular area or constituency regarding voting polls)
- ▶ campaign finance information; this is the funds that are raised in order to finance promotions of the political parties or candidates which help decipher how the political party has been able to influence the voters.

Dear Sir/Madam,

Greetings!

Intellectual property protection is critical to fostering innovation in the digital era. The advent of digital technologies has indeed changed the world and our life. Without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and developments. In order to provide a basic awareness about the role of IPR in the modern world, the Department of Economics & IQAC of Sacred Heart College Chalakudy, Kerala in collaboration with Department of Economics & IQAC of St. Joseph's College (Autonomous), Irinjalakuda organize a National Webinar entitled, "**Intellectual Property Rights in the Digital World**" on 8th April 2021 at 10.00 A.M. We the organizers wholeheartedly welcome Academicians, Researchers, and Students for the active online participation.

With warm Regards,

Dr.Sr.Reena Ittyachan

AGRICULTURAL CREDIT IN INDIA

- ▶ Credit is a catalyst that lubricates the process to accelerate the farm and non-farm sector development including rural industrialization, business, and service segments of the economy.
- ▶ The credit helps farmers invest in creating assets to generate output and income through deploying science, technology, and modern methods of business management.
- ▶ Investments in farm can generate farm income sustainably when credit is simultaneously adequately supported by backward and forward linkages, viz. inputs of production, technology, and services.

Creation and Transfer of Knowledge (Framework of Integrated Ecosystem)

The Department of English has spearheaded a plethora of activities, since its inception, with the intent of creation and exchange of knowledge to the academia. The activities of 2020-2021 are as follows:

1. **Remedial Teaching** is a scheme intended to provide academic support to academically backward students of the college by identifying the areas of their handicaps.

2. **Peer Tutoring** is an instrumental strategy in which senior students tutor first year students to facilitate the act of learning through the tripartite processes of explanation, collaboration and participation.

3. The effectiveness of **Cooperative Learning** was fully construed when leaders from among the group of students pioneered to simplify and revise the difficult bits of information to the below average students.

4. As part of the **Faculty Exchange Programme**, Ms. Darly Mathew, Assistant Professor in English, engaged a class on “Literary Theory” for the students of the Department of English, Carmel College, Mala.

5. **Add-on Course** on “Communicative Skills in English” is transmitted to the students of all the departments with poor linguistic competency on a daily basis for an hour.

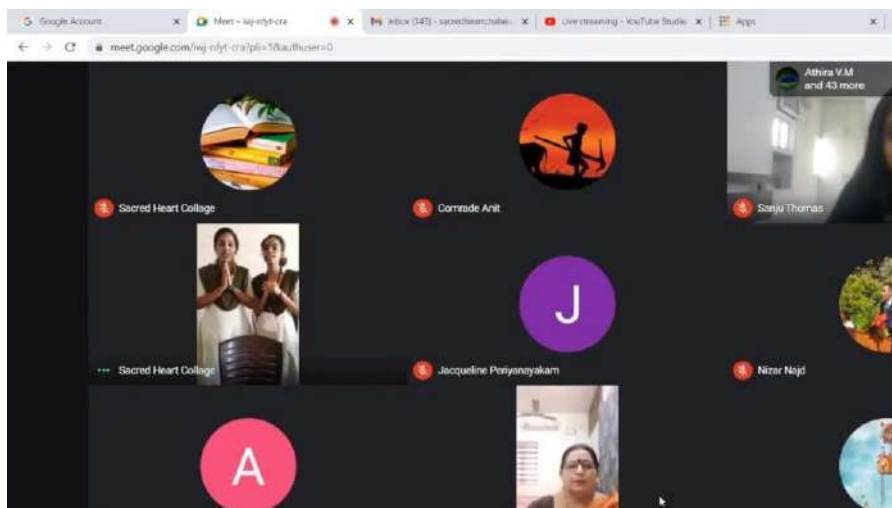

6. “Ascend,” an association of the Department of English was

inaugurated by Ms. Susan Koshi, Assistant Professor, Department of English, St. Aloysius College, Elthuruth, Thrissur on 14 Jan 2020. She also gave a talk on “**Small is Beautiful: Redefining Popular Storytelling.**”

7. A four day national webinar on “Translating Boundaries: Nation, Body and Culture” from 23-26 March 2021.

8. Dr. Sr. A. Princy Anto (Subject Expert and Academic Reviewer) and **Ms. Noble A. Paliath** (Subject Expert and Presenter) of the **Department of English** served in the afore-mentioned roles in association with the development of MOOC on “**Glimpses of Indian Writing in English**” produced during the year 2021 by Educational Multimedia Research Centre (**EMMRC**), **University of Calicut**, on behalf of **Consortium for Educational Communication (CEC)**, New Delhi, an inter-university centre under **UGC**.

Criterion III - RESEARCH, INNOVATIONS AND EXTENSION

SUB CRITERION -3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Academic Year 2020-21

Due to the covid 19, the activities of our department restricted. So we organized programmes in online mode. As part of our open course programme, students prepared documentaries of various sites, places and the important monuments of their respective areas. Besides this, students prepared videos of their seminar presentation

1. Open Course Documentary series

Students who opted Heritage studies (2020-21) and Historical Tourism (2021-22) as Open Course are requested to do a documentary video on a topic related to the topics in the syllabus. This video is counted as seminar presentation by the students who prepare the documentary. Diverse art forms, places, monuments, temples, churches, parks, natural beauty and lot more are absorbed by the students into their camera frames. All the videos are so informative and entertaining in nature. Students learn the heritage value of the monuments or sites by preparing the documentary.

The videos which ensure watch quality are edited by the faculty of Department and are uploaded to College YouTube Channel. The ICT used here is high end video editing computer using the software Filmora. Many of the videos got wide appreciation from public as they found them very much informative and entertaining. The YouTube links of the videos are pasted below. The screenshots of some of the videos are also pasted here.
