The Hedge School of Applied Economics in collaboration with the Commerce Department of Sacred Heart College, Chalakudy conducted a comprehensive certificate program in financial services. The program was well-received with enthusiastic participation from commerce students eager to enhance their professional competencies. A number of 57 students enrolled for the program. And 38 participants who sucessfully completed the program were awarded certificates, acknowledging their enhanced expertise in financial services.

The sucess of this initiative has set a precedent for future collaborations aimed at empowering students with specialized skills critical for their careers in finance.
