REPORT

VISIT TO 'KARUNA BHAVAN' OLD AGE HOME

We, the students and faculties of English department, visited an old age home 'KARUNA BHAVAN' on 23rd of December, 2021 as a part of our Christmas celebrations of the year. It is a routine per annum for our college to visit 'KARUNA BHAVAN', as we found time to visit the aged people there every year. 'KARUNA BHAVAN' is located in Chalakudy near our college headed by Potta Ashram. This is a home for the aged ones who are either abandoned or having no relatives in this world to care for them. When we visited them, the old age home consisted of 10 members, took after and nursed by CPSC sisters. We reached there at 9.30 in the morning by a traveller consisting of a group of 36 third year undergraduate, second year post graduate students and faculties of English department. The visit was administered by Vice Principal and the Head of Department in charge Dr.Sr.Princy Anto, Faculty of the department Dr.Sr.Alphonsa and Post graduate faculty representative Ms Anju Rose Anto. Their warmth and love which addressed us made our Christmas celebrations polished and round-off. We started our Christmas celebrations there with a prayer and shared happiness of Christmas by cutting a Christmas cake with them. The most aged grandmother among them cut the cake and shared with us. We conducted many cultural programmes including songs and dances before them to make them radiant. That spark of happiness and excitement to celebrate their Christmas with us made us gratified. Apart from this, our faculties Dr.Sr.Alphonsa and Ms.Anju Rose Anto also took part in the cultural programmes with their soulful voices. Dr.Sr.Princy Anto, Vice Principal of Sacred Heart College Chalakudy spoke by addressing them. As a token of love from our part, we gave clothes and necessary stationary items to them which we had bought anew and collected two days before our visit. They accepted our Christmas gifts and were experiencing one of the most euphoric days with tears of joy. We spent much happy hours with them hearing to their words and experiences in their lives. We were foregrounded on the need of

protecting the aged ones with care and love in our families as they are a blessing for each home. Towards the end of our leave-taking, we took many photos with them. We gave them our concrete assurance that they can expect our visits frequently and came back to college at 12 in the noon.
