TRANSLATING BOUNDARIES: NATION CULTURE & BODY

The Department of English in association with IQAC of Sacred Heart College for Women, Chalakudy is organising a Four day National Webinar Series on **Translating Boundaries: Nation, Culture and Body** from 23 March 2021 to 26 March 2021 at 10.30 am through **Google Meet platform and YouTube Live**.

Concept Note:

The fear of transgression leads to the creation, fixation or extension of boundaries and translations succinctly impart expression to the nuances of such transgressions. Meanings are born when the cultural, the literary and the sociological boundaries are transgressed. The webinar, *Translating Boundaries: Nation, Culture and Body*, attempts to encompass the discussions on the discourses of gender, language and culture on translations, the limits of imagination which is constantly surpassed in Indian English fiction, the digressions in youth subculture and the epidermal metaphors with their implications in literature.
