Civil Service Orientation Programme

The Department of History in association with Career Guidance Cell has initiated a Civil Service Club and launched a 50-hours intensive Civil Service Orientation course every academic year. In the year 2016-17, an external agency was involved in providing orientation to students. From 2017 onwards, the Civil Service club is running the course itself under the leadership of Mr. Libin Francis, faculty with Department of History. Entrance exams are conducted each year to select the potential students. Around 100-300 students usually attend the exam and the Club publish the result & the list of selected students.

In the year 2019-2020, two entrance exams were conducted and two batches were started for first year and second year students of all departments from December 3rd 2019 onwards for the first years. There were classes regularly for both the batches until the college had been closed due to Covid. From July 2020 onwards, online classes have been conducting via Google Meet classroom sessions. We have completed the 50 hours programme by January, 2021.

TO WHOM IT MAY CONCERN

It is with great pleasure and enthusiasm that I am writing to endorse Jerney Varghese's application to your organization/program. I, Lehar Tawde, am the Co-Founder of ConnectEd Technologies LLP, which is an educational-technology company making quality education accessible and affordable to underprivileged youth across India. I hope my perspective will be helpful to you as you evaluate her candidature.

With us, Jerney worked as a Voice-over artist for Two Months (May2021-June2021), wherein she voiced educational scripts that were further developed into the video lectures that are deployed in schools we are associated with. These lectures not only assist the teachers in these schools where the teacher to the student ratio is quite skewed but also help the children to learn in a more interactive way. These video lessons also add an extra learning element and at the same time make this learning process fun. So, the work of providing voice to the videos is of prime importance in our effort to revolutionize the learning in those classrooms. Our learning technology is being employed in the most densely populated schools of Maharashtra and we are being supported by the Government of Maharashtra under 'Digital India'.

During her recruitment interview, Ms. Jerney Varghese expressed a strong desire to work with us and promised to not disappoint. We found her to be a quick learner and a hard-working girl, who pays attention to instructions and takes feedback quite constructively. She will be coming to you with the above-mentioned experience and qualities, to say the least, and I hope that you will accept her application to your organization/university.

TO WHOM IT MAY CONCERN

It is with great pleasure and enthusiasm that I am writing to endorse Jerney Varghese's application to your organization/program. I, Lehar Tawde, am the Co-Founder of ConnectEd Technologies LLP, which is an educational-technology company making quality education accessible and affordable to underprivileged youth across India. I hope my perspective will be helpful to you as you evaluate her candidature.

With us, Jerney worked as a Voice-over artist for Two Months (May2021-June2021), wherein she voiced educational scripts that were further developed into the video lectures that are deployed in schools we are associated with. These lectures not only assist the teachers in these schools where the teacher to the student ratio is quite skewed but also help the children to learn in a more interactive way. These video lessons also add an extra learning element and at the same time make this learning process fun. So, the work of providing voice to the videos is of prime importance in our effort to revolutionize the learning in those classrooms. Our learning technology is being employed in the most densely populated schools of Maharashtra and we are being supported by the Government of Maharashtra under 'Digital India'.

During her recruitment interview, Ms. Jerney Varghese expressed a strong desire to work with us and promised to not disappoint. We found her to be a quick learner and a hard-working girl, who pays attention to instructions and takes feedback quite constructively. She will be coming to you with the above-mentioned experience and qualities, to say the least, and I hope that you will accept her application to your organization/university.
