

**APPRECIATION LETTER FROM CHALAKUDY MUNICIPALITY FOR SETTING UP A LIBRARY IN ANAPPANTHAM TRIBAL COLONY**

2019-2020

## Setting up of a Library at Anappantham Tribal Colony

A tribe is a group of people that share ancestry and cultures, while living in their own enclosed society. Their status is regulated wholly or partially by their own customs or traditions or by special laws or regulations. Indigenous and tribal peoples are often known by national terms such as native peoples, aboriginal peoples, first nations, adivasi, janajati, hunter-gatherers, or hill tribes. Culture distinguishes humans from animals. Preservation of culture is essential for our identity. India is a unity of diversity of culture that is the most important feature of Indian society. Tribal culture is one of them which shows the unique identity of the tribal population in the nation. On 21/1/2020 the NSS Units of Sacred Heart College in association with the department of history organised a visit to the Anappantham tribal colony and the NSS Volunteers helped in setting up a library for anganwadi students at Anappantham tribal colony. Tribal development efforts would be catapulted from survival issues to achieving significant development gains through productivity enhancement, diversity in occupation, and reduced migration, thus resulting in higher economic prosperity.

The NSS Coordinators, NSS Volunteers, the respective Volunteers of Anappantham tribal colony give the necessary items to the Anappantham Tribal kids.
