

## **SAKSHAM 2017**

The Department of Physics conducted SAKSHAM 2017 (Oil and Gas Conservation mass awareness campaign) in association with BPCL and ENCON club on 21/02/2017 at Sacred Heart College, Chalakudy. The program aims at creating awareness amongst students about the need for energy conservation. Thus keeping this as the aim and to bring awareness along with enhancing their language and communication skills, different competitions were conducted for the same. After the formal meeting presided by principal Dr.Sr.Irene, the program marked its commencement with the pledge taken by students and the teachers about the conservation of energy. After that Inter-departmental Essay and painting competition was organized as part of SAKSHAM-2017. An Inter-departmental quiz competition was also conducted on 28-02-17.

The program turned out to be a grand success as many students participated enthusiastically, and they could exhibit their talents and also improve their soft skills. Along with a chance to enhance the soft skills, this also aims at developing their life skills by making them aware about their responsibility towards the environment for a better future.

Athira Valsan, II DC Zoology secured first prize in the Interdepartmental Painting Competition. Thushara Johny, III DC Chemistry, bagged the First Prize for Interdepartmental Essay Competition. Merse Rose Shoby and Seethalakshmi C.S. of II DC Zoology, grabbed the first prize in the Interdepartmental Quiz Competition.
