

SAKSHAM 2020 **(सक्षम'20 – Sanrakshan Kshamata Mahotsav 2020)**

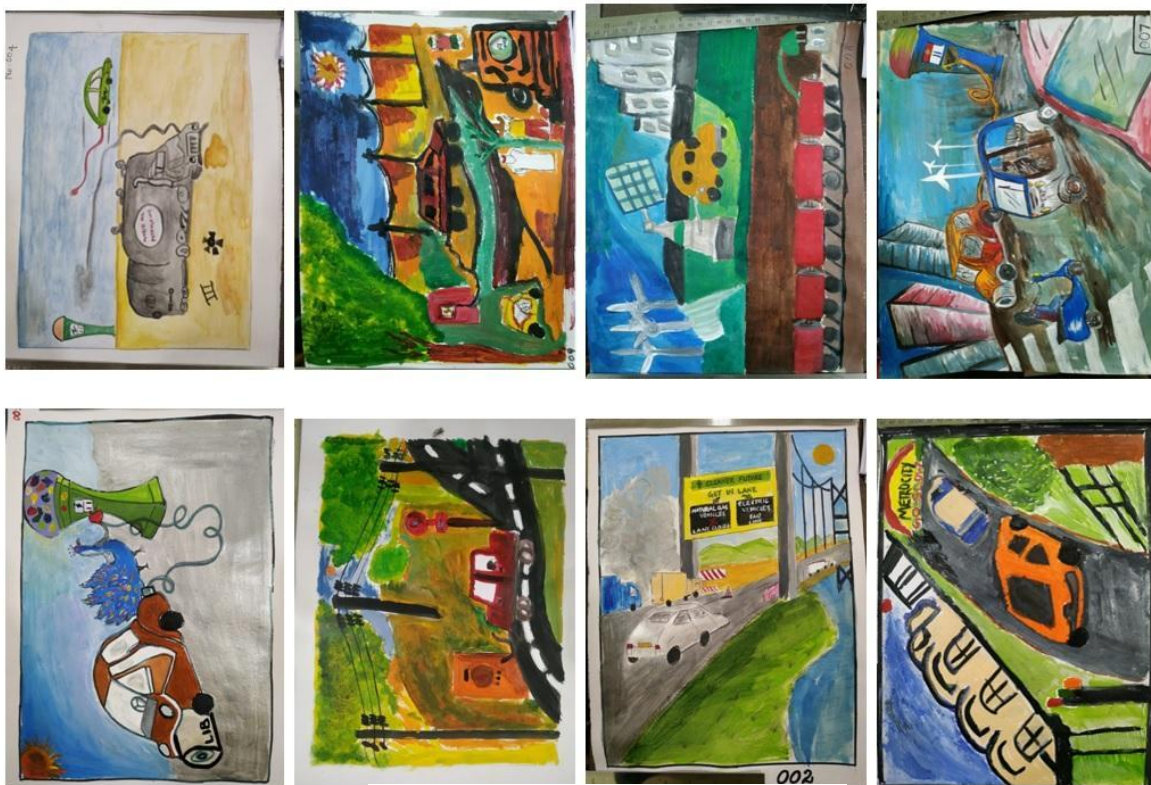

The Department of Physics conducted SAKSHAM 2020 (Oil and Gas Conservation mass awareness campaign) in association with BPCL and ENCON club at Sacred Heart College, Chalakudy. SAKSHAM is a significant annual event which is organized jointly by Petroleum Conservation Research Association (PCRA) and Oil Industry under the aegis of Ministry of Petroleum & Natural Gas, Govt. of India and guidelines of PCRA (petroleum Conservation research association) with sole purpose of bringing awareness among the people on need of Oil & Gas conservation and means to do it.

Thus keeping this as the aim and to bring awareness along with enhancing their language and communication skills, different competitions were conducted for the same. The program marked its commencement with the pledge taken by students and the teachers about the conservation of energy. After that Inter-departmental Essay and painting competition was organized as part of SAKSHAM-2020. An Inter-departmental quiz competition was also conducted on 25-02-2020. The theme of the competitions was ***Electric vehicles and the future of petroleum fuels.***

The program turned out to be a grand success as many students participated enthusiastically, and they could exhibit their talents and also improve their soft skills. Along with a chance to enhance the soft skills, this also aims at developing their life skills by making them aware about their responsibility towards the environment for a better future. The winners of the various competitions were awarded cash prizes.
