

## **ENTREPRENEURSHIP AWARENESS WORKSHOP BY SELF EMPLOYMENT UNIT ON 8/11/2016**

DEPARTMENT OF CHEMISTRY

The department of Chemistry conducted a self-employment orientation activity including making of soaps, detergent, phenyl, liquid soap etc. under the self employment unit as an entrepreneurship program on 8/11/2016. About 85 students participated in the training program. It was a new experience for them. Students acquire knowledge beyond the classroom. The raw materials are purchased using the department fund. All chemistry teachers and lab assistants gave proper guidelines to students. The products are purchased by teachers and non-teaching staff in the college.
