

TRAFFIC RULES AWARENESS PROGRAM

ORGANISED BY NSS 28 OCTOBER 2016.

Report of this activity:

On October 28, NSS Volunteers from Sacred Heart College guided the public on the topic “Traffic Rules and Safety”. The main aim of this program was to prevent road accidents using road safety measures. NSS volunteers along with the NSS coordinators went to Chalakudy town and guided the public about the rules and awareness near NH66. The volunteers distributed tips on safe driving, encouraged the riders to stick to the traffic rules, and boosted them by giving tips attached with candy. Volunteers mainly guided the two-wheelers and told them about the importance of wearing helmets. Volunteers also talked about the importance of seat belts for everyone travelling in the car. The session lasted for three hours starting from 2 PM to 5 PM. Some drivers appreciated the NSS members for their incredible work and thanked them for giving the tips.
