

MOBILE LAB AT ST ANTONY'S HIGH SCHOOL, KOTTAT ORGANIZED BY THE DEPARTMENT OF CHEMISTRY ON 10/10/2017

The main objective of the Mobile Science Lab is to encourage students to perform experiments and learn basic principles of science. Experiments are the foundation of science and therefore, essential for understanding principles of science and their appreciation by relating them to the happenings in daily life, especially at the school level. Realizing the importance of experiments, the department of Chemistry has launched the mobile lab, primarily for the school students and children of rural areas and small towns. The mobile lab focuses on experiment-based learning and hands-on experience, relates science to daily life and how it influences our lives. It helps to demystify science.

In order to inculcate scientific temperament in school students, B.Sc chemistry students along with Dr. Santhosh Paul and Dr. Laina A.L., conducted a mobile lab at Kottat High School on 10/10/2017. Our students performed various science experiments in an interesting manner which attracted the school students very much.

Students from SH College demonstrating before students

Letter of Appreciation received from the Headmistress of St. Antony's High School, Kottat

Letter of appreciation

I am extremely happy to express our gratitude to the Staff and Students of the Department of Chemistry, Sacred Heart College, Chalakudy for conducting '**Mobile Lab**' programme for our high school students on 10th October, 2017. The programme was very useful and had given insight to various chemistry experiments that our students were not actually carried out in the school. Our students were very much curious about the theory behind the chemical experiments and those students (SH College), who demonstrated the experiments were explained all in detail.

I wish all the best to them.

Headmistress
ST. ANTONY'S C.H.S
KOTTAT

**List of Students Participated In Mobile Lab from St. Antony's High School,
Kottat, Chalakudy During 2017**

NO.	Name Of Participant	Institution	Role
1.	Aathira A V	St. Antony's High School	Participant
2.	Adithya Anil	St. Antony's High School	Participant
