

MOBILE EXPLORATION LAB

ORGANIZED BY THE DEPARTMENT OF CHEMISTRY ON 05/12/2018

“Mobile Exploration lab” is a programme equipped with inquiry-based curricular materials and equipment that are engaging, substantive and thought-provoking for effective teaching-learning processes. It is an innovative project by the department which has been designed for social development through capacity building of the beneficiaries. The project has had a perceptible impact on the teaching-learning process of science and empowered teachers to create happier classrooms.

In order to inculcate scientific temperament in school students, B.Sc chemistry students along with Dr. Santhosh Paul and Dr. Laina A.L., conducted a mobile lab at Kottat High School on 5/12/2018. Our students performed various science experiments in an interesting manner which attracted the school students very much. Through this extension activity of the chemistry department, school students got an amazing opportunity to experience benefits of the experimental learning where the knowledge is created through the transformation of experience and knowledge results from the combinations of grasping and transforming the experience.

Letter of Appreciation

Letter of appreciation

I am extremely happy to express our gratitude to the Staff and Students of the Department of Chemistry, Sacred Heart College, Chalakudy for conducting 'Mobile Lab' programme for our high school students on 5th December, 2018. The programme was very useful and had given insight to various chemistry experiments that our students were not actually carried out in the school. Our students were very much curious about the theory behind the chemical experiments and those students (SH College), who demonstrated the experiments were explained all in detail.

I wish all the best to them.

Headmistress
ST. ANTHONY'S C.H.S
KOTTAT

**List of Students Participated In Mobile Lab From St. Antony's High School,
Kottat, Chalakudy During 2018.**

NO.	Name Of Participant	Instituti on	Rol e
1.	Ardra V Nair	St. Antony's High School	Participant
2.	Shreya K P	St. Antony's High School	Participant
