MOBILE SCIENCE LAB FOR HIGH SCHOOL STUDENTS ORGANIZED BY THE DEPARTMENT OF CHEMISTRY ON 28/11/2019

Mobile Science Lab is aimed at enhancing the education system by providing adequate infrastructure to facilitate scientific learning by the students in a friendly way. Mobile Science Lab is an innovative initiative in the field of science, for hands-on activities of different modules and facilitates easy learning of concepts by students. The project aims at encouraging the students to inculcate a qualitative and hands-on learning environment and empowering schools to design creative ways to nurture the budding scientists. The focus is on gaining knowledge through activity-based and hands-on learning leading to innovative/qualitative thinking among students. In order to inculcate scientific temperament in school students, B.Sc chemistry students along with Dr. Santhosh Paul and Dr. Laina A.L., conducted a mobile lab at Sacred Heart High School on 28/11/2019.

Our students performed various science experiments in an interesting manner which attracted the school students very much. They conducted science quizzes among school students and distributed prizes for winners. It was a wonderful experience for the school students. By incorporating concrete experiences with abstract concepts, and then reflecting on the outcome, students engage more regions of their brain and make stronger connections with the material. These activities are designed to engage students' emotions as well as enhancing their knowledge and skills.

Certificate of Appreciation received

Certificate of Appreciation

I would express our deepest appreciation to the department of Chemistry, Sacred Heart College, Chalakudy for the efforts taken to conduct mobile lab for our students at our campus on 28 November 2019. We value your extension activity as a resource to nourish scientific aptitude to the young minds.

I value and recognize the ongoing contributions and continued work of the department of Chemistry, Sacred Heart College, Chalakudy to the student communities.
