

PEACEFUL MASS AGITATION

ORGANISED BY NSS ON 28 JANUARY 2020

Construction Activities means any and all activity incidental to the erection, demolition, assembling, altering, installing or equipping of buildings, structures, roads or appurtenances thereto, including land clearing, grading, excavating and filling. On 28/1/2020 the NSS Volunteers actively participated in the Koota Dharna (Mass protest gathering) at Chalakudy Municipal Junction for the under path construction . It was presided over by Chalakudy MLA B.D. Devassy. The Underpass is crucial for the comfortable and easy transportation of people crossing National Highway 66. Most of the students coming from the other part of the highway lose a lot of valuable time waiting at signals. Many times, accidents happen when the vehicles in the NH trespass the traffic signals. So, students decided to participate in the agitation for the immediate construction of an underpass to cross the National Highway 66 at Chalakudy.
