

PLASTIC AWARENESS CAMPAIGN

ORGANISED BY NSS ON 24 DECEMBER 2019

Plastic pollution has become one of the most pressing environmental issues, as rapidly increasing production of disposable plastic products overwhelms the world's ability to deal with them. Long term usage and exposure of plastics and plastic products to high temperature can lead to leaching of toxic chemical constituents into food, drinks and water. Indiscriminate disposal of plastics on land and open air burning can lead to the release of toxic chemicals into the air causing public health hazards.

On 24/12/2019, as a part of the "KARMA" Camp the NSS volunteers along with Haritha karma sena were assigned to create awareness among the village people of Thiruthiparambu about the after effects of plastic and remind them to collect and give it to the respective Panchayath to recycle it. Volunteers completed the awareness programme in ward number 10 of Aloor Grama Panchayath.
