

DENTAL CAMP 2021

ORGANISED BY NSS ON 24TH OF DECEMBER 2021

REPORT OF THE PROGRAMME:

There was a free dental camp organised in association with Bharat Dental Clinic led by Dr. Luca Joseph. 2 doctors along with nursing assistants were available in the camp at V.R. Puram government school on 24/12/2021. The main aim of the camp was to provide basic dental health education to the people and motivate dental hygiene maintenance. Normally the body's natural defences and good oral health care, such as daily brushing and flossing, keep bacteria under control. However, without proper oral hygiene, bacteria can reach levels that might lead to oral infections, such as tooth decay and gum disease. Maintaining your teeth isn't only about looking good. Poor dental hygiene can lead to problems that are much bigger than an unpleasant smile. This camp was carried out to identify the method to motivate dental health in the young generation and activate dental hygiene for the future society.
