

# APPRECIATION LETTER FROM CHALAKUDY MUNICIPALITY FOR VISITING AN OLD AGE HOME

## **OLD AGE HOME VISIT AT MELOOR**

ORGANISED BY NSS ON 25 JANUARY 2020

A retirement home, sometimes called an old people's home or old age home, although old people's home can also refer to a nursing home, is a multi-residence housing facility intended for the elderly. The steady security in an old age home gives them protection from intruders and helps them live a safe and secure life. As part of social service activities the NSS Volunteers and other students from the Department of Zoology visited the Old age home at Meloor on January 25th 2020. Seeing family or loved ones can help seniors stay engaged emotionally and feel less lonely. While they will form friendships in their new home, nothing beats seeing family members and people who love and care for them. These visits can help seniors ward off feelings of stress, social isolation, and depression as well.
