It is my great pleasure to appreciate the efforts of the Department of Chemistry, Sacred Heart College, Chalakudy for taking initiation to conduct a workshop on Hygiene Materials for the Kudumbasree members in my Municipal ward, ITI 23 on 12th December, 2019. The Kudumbasree members were very actively participated in the programme and it was very helpful for them to make hygiene products. The workshop was given a very new experience for them to understand the preparation of cleaning materials.

I thank the department of Chemistry, Sacred Heart College, Chalakudy for their commitment to the society by giving us an opportunity to attend the workshop on hygiene materials.

SKILL TRAINING PROGRAMME FOR KUDUMBASHREE MEMBERS

ORGANISED BY CHEMISTRY DEPARTMENT ON 12 DECEMBER 2019

As an outreach programme of the self employment unit, the chemistry department arranged skill training programmes for Kudumbashree members of Chalakudy Municipality. Ward councilor, Smt. Bindu Sasikumar inaugurated the event and attended the training. This programme is meant to provide a total awareness to make hygiene products such as soaps, detergents, shampoo, floor cleaners, toilet cleaners, etc. As a venture to women empowerment, Kudumbashree members were highly motivated and many of them expressed their willingness to make these products on their own and also to sell at their locality. They thanked the students for giving Training. Students conducted a mobile quiz regarding the skill training and the winners were awarded prizes.
