To whomsoever it may concerned

It is my great pleasure to appreciate the Department of Chemistry, Sacred Heart College, Chalakudy for their highly valuable service to the society during the corona pandemic period 2020 – 21. The staff and students in the department were manufactured sanitizers, hand washes, etc. and distributed at various government organizations and other places. They became the part of Kerala government's campaign "Break The Chain" and distributed the sanitizers and cleansing materials to auto rikshaw stands, KSRTC stand, nearby housing colonies, KSEB office, Chalakudy Municipality office, Police station, Fireforce office, railway station etc. I really value their commitment and sincerity and appreciate their great effort to serve the society. I wish them all the best and let them continue their valuable social service in the future.

Letter of Appreciation

I am very happy to appreciate the sincere hard work of the Department of Chemistry, Sacred Heart College, Chalakudy during the Covid-19 pandemic period. At the beginning of the outbreak of Covid-19 pandemic, they have committed selflessly to the society by making and free distribution of sanitizers, handwashes, and other hygiene materials to various houses in my Municipality/ITI ward no. 23 in June 2020.

I take this opportunity to congratulate them for the free distribution of these materials to the public such as auto rikshaw and taxi stand and many government organizations such as KSRTC stand, Railway station, Police station, Fire and rescue service, KSEB office, Municipality office etc.

I thank them for their great efforts and social commitments to become a part of fighting against the spread of coronavirus and become a part of Kerala Government's 'Break The Chain' campaign.

Break the Chain Campaign

Coordinated by the Department of Chemistry 2020-21

Kerala State Health Minister K K Shailaja officially declared the “break the chain” campaign to sensitise the public about the mandatory need for keeping personal hygiene to fend off the Covid-19 spread. The Chemistry Department actively participated in the Break the Chain campaign of Kerala government by making sanitizers, hand washes and dishwashers extensively and distributed it to the important government institutions where the public are expected. It was also an awareness mission of the department to the public. In this regard, the following institutions/departments have associated with us to make it a big success. We also received huge media support for this awareness mission.

- Railway station
- Police station
- Fire and rescue department
- Traffic police station
- KSRTC bus stand
- Chalakudy Municipality
- KSEB office
- Rickshaw stand
- Nearby colonies and villagers, etc

Students of the department actively participated in the campaign for preparing sanitizers and hand washes. Faculty of the department gave proper guidance for preparing the materials needed for the programme. We continued our efforts to make sanitizers, detergents, hand washers and pain balms to make awareness among the public. The programme was inaugurated by the Chairman of Chalakudy Municipality, Mr. V.O Pailappan. He received our products and congratulated us for being committed to the society.
