

ENTREPRENEURSHIP SEMINARS AND CONFERENCES

The institution adopts innovative practices in order to create an ecosystem that nurtures talent. The institution focuses on every facet of developmental requirements and one such avenue through Innovations at Institutions. To validate the value of promoting entrepreneurship among students, IPR-related seminars and entrepreneurship-related seminars are organized and conducted. Following are the innovative initiatives of the institution which help to develop entrepreneurial self-efficiency in students:

Department of Commerce

Seminar on Entrepreneurship Development

Organised by the Department of Commerce on 22-08-2019

The Department of Commerce conducted a One-day Seminar on Entrepreneurship Development. The Seminar was carried out on 22nd August 2019 at Clare Hall, Sacred Heart College Chalakudy. Ms. Lachithamol, Assistant Director MSME, Thrissur invited as a resource person. The major purpose of the session was to make awareness about necessary knowledge and skills required for carrying out different entrepreneurial activities ; and also the session intended to develop an interest among students to start/engage in entrepreneurial activities. The resource person conveyed information about developing innovative and creative entrepreneurial ideas, various financial supporting facilities etc. About 308 students and 10 teachers participated in this workshop. The session helped the students to gain knowledge about entrepreneurship and entrepreneurial skills.
