

APPRECIATION LETTER FROM CHALAKUDY MUNICIPALITY FOR PROTECTING THE GREENERY AND BEAUTIFICATION OF PUBLIC PROPERTY

Report:

With growing population rates and such a small percentage of all the water on Earth fit for consumption, it only makes sense that we must preserve and conserve this precious resource. Water conservation means using our limited water supply wisely and caring for it properly. Since each of us depends on water to sustain life, it is our responsibility to learn more about water conservation and how we can help keep our sources pure and safe for generations to come. As to fulfil the duties of a responsible citizen, NSS volunteers cleaned the premises and painted the KANNAMKULAM pond fence on 26/12/2021. There they took the pledge on water conservation. Rev.Dr.Sr.Irene inaugurated the task and ITI ward councillor Mrs. Bindu Sasikumar accompanied the NSS team.
