Mahatma Gandhi is not just a name, but the spirit of profound wisdom and captivating humility. He wasn't just a mere political philosopher but he gave a message and philosophy of life. Though not supported by any specific authority, he led an entire nation on the path to independence. With his philosophies of non-violence, truth, self-sufficiency, communal harmony, simple living, and high thinking, he aimed for peace and harmony of the nation along with independence at the same time.

Today, even a century later, one can see the relevance of Mahatma Gandhi's philosophies not only in India but also on a global level. Gandhi's philosophies, economic and political, find relevance in today's scenario troubled by recession, unemployment, violence, wars, famine and even environmental degradation.

The Department of Economics, Sacred Heart College, Chalakudy is organizing a two day national seminar on the occasion of the 150th birth anniversary of Gandhi on the topic "The relevance of Gandhian philosophy and economics in the 21st century" on 6th and 7th December 2019. We are also organising a presentation competition on the topic 'Relevance of Gandhian economics today' on 6th December 2019 for higher secondary students and economics Under Graduate students.

The two day deliberations will provide valuable insights into the relevance of Gandhian philosophy and economics in the contemporary world order.

INDEPENDENCE DAY

ORGANISED BY NSS ON 15TH OF AUGUST 2019

REPORT OF THE PROGRAMME:

We celebrate Independence Day every year on 15 August as a national holiday in India to commemorate the independence of the nation from the United Kingdom on 15 August 1947. This was the day on which the provisions of the Indian Independence Act of 1947 came into effect, which transferred legislative sovereignty to the Indian Constituent Assembly. Independence corresponded with India's partition, wherein British India had been divided into the Dominions of India and Pakistan along religious lines. The idea of being an independent nation, where sovereign power lies with us to determine our future, places a huge responsibility on our shoulders. We can not merely say that 15th August is solely about freedom. This day is a plethora of emotions, it reminds us of the pain of being enslaved; of the strength in unity; it defines sacrifice, it gives us an example that some wars can be won with non-violence and of all the things, it makes us value and cherish the freedom we have today. All the NSS Volunteers participated in the flag hoisting which was done in the College Premise along with other teaching and non-teaching staff on 15/07/2019.

Integrity Club

Integrity Club was formed in the college on 29th October, 2019 as per the direction from Central Vigilance Commission through the Directorate of Collegiate Education, Government of Kerala. The main activities of the club involve the promotion of values like honesty, integrity and ethics among the students. Around 45 students were selected to the club on the first come first serve basis. They are to be worked as the propagators of the values among the other students. Various programmes were organised that week as part of the Central Vigilance Week Celebration. The member students of the club prepared charts to be displayed in the college which were exhibited on November 1st, 2019 on the passage to the auditorium. Due to the COVID situation, the activities could not be continued in the academic year 2020-21.

NATIONAL INTEGRATION DAY
ORGANISED BY NSS ON 19 OF NOVEMBER 2019

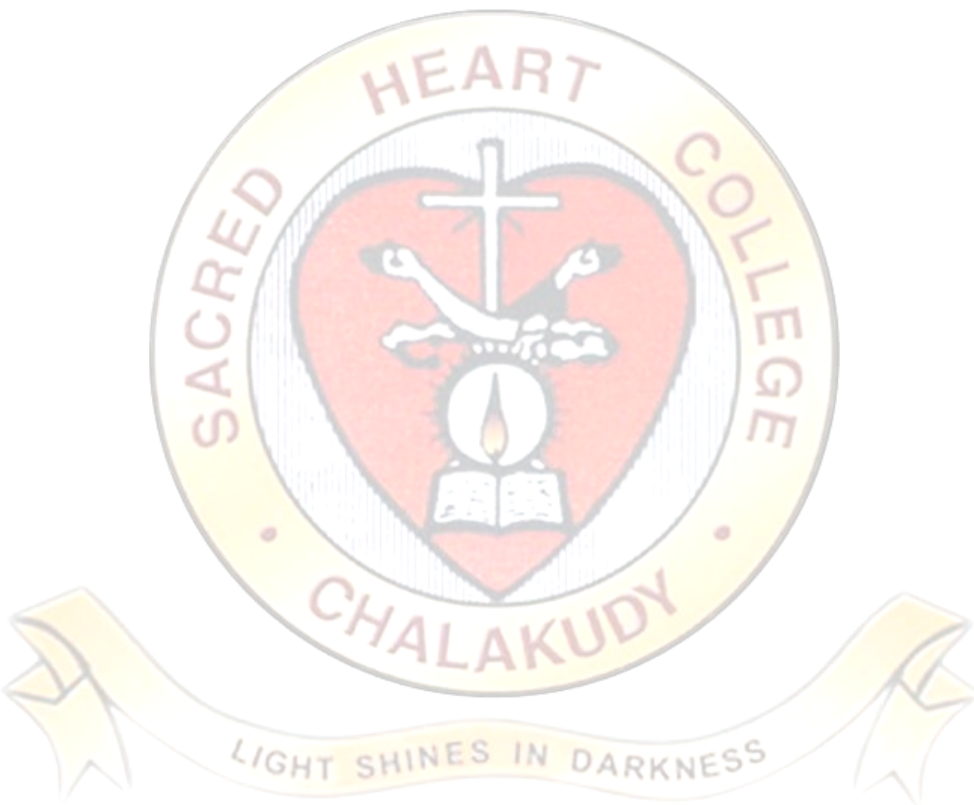

REPORT OF THE PROGRAMME:

National Integration Day is observed on November 19th every year on the birth anniversary of the nation's first female Prime Minister, Indira Gandhi. The day is also referred to as Quami Ekta Diwas. National Integration Day is observed on the birth anniversary of India's first woman Prime Minister Indira Gandhi to honour her memories and contributions in strengthening India's democratic structure. This day promotes the message of preserving unity and integrity among the citizens of India, regardless of their cast, colour, language, religion and societal status. National integration is the awareness of a common identity among citizens of the country, this means that although we belong to different religions and speak different languages, we recognise the fact that we are all one. National Integration arises through the behaviour and determination of citizens. The NSS Units observed National integration day on 19/11/2019 and took an oath regarding the same. The purpose behind celebrating this day was to preserve in the minds of the people, the beauty of unity in diversity in the socio-culturally rich country.

The NSS Coordinators and the Volunteers take the oath.
