BACK TO AGRICULTURE 2017- AGRICULTURAL GROW BAG ORGANISED BY NSS ON 27 DECEMBER 2017

Report of the article:

On 27th December, the volunteers prepared the growbags for agriculture and also made the platforms for the sowing of the seeds. The main aim was to grow fresh and chemical free vegetables. The increasing use of spraying pesticides and chemicals lead the way to produce garden fresh vegetables. All the NSS volunteers prepared the growbags as advised by the NSS coordinators. They prepared the platforms near the college auditorium and in the left side of the college premises. The members planted many vegetables like tomatoes, chillies ,lady fingers, etc and added many minerals and manures. The vegetables hence produced will be given to the convent and hostel thereby. The preparations and planting was started by 1:30 pm in the afternoon. The NSS leader shared the importance of homegrown vegetables and plants and asked everyone to start their own garden freshers.
