

**CERTIFICATE OF APPRECIATION ST. ANTONY'S CONVENT HIGHER
SECONDARY SCHOOL KOTTAT**

Letter of appreciation

I am extremely happy to express our gratitude to the Staff and Students of the Department of Chemistry, Sacred Heart College, Chalakudy for conducting 'Mobile Lab' programme for our high school students on 10th October, 2017. The programme was very useful and had given insight to various chemistry experiments that our students were not actually carried out in the school. Our students were very much curious about the theory behind the chemical experiments and those students (SH College), who demonstrated the experiments were explained all in detail.

I wish all the best to them.

Headmistress
ST. ANTONY'S C.H.S
KOTTAT
