

# Alumni Feedback Report 2016-21

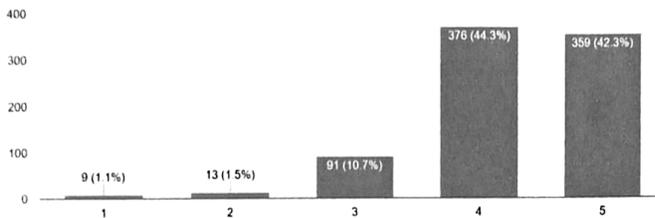

**Total Number of responses in the Google forms = 855**

**Mode of collecting the feedback - A Google form sheet that is updated every year to collect feedback from students.**

## Summary of the feedback from Alumni:

### 1. How do you rate the academic experience with SH College?

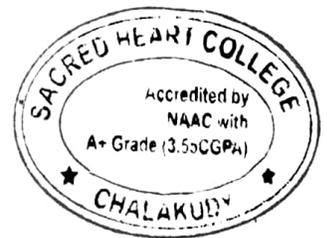

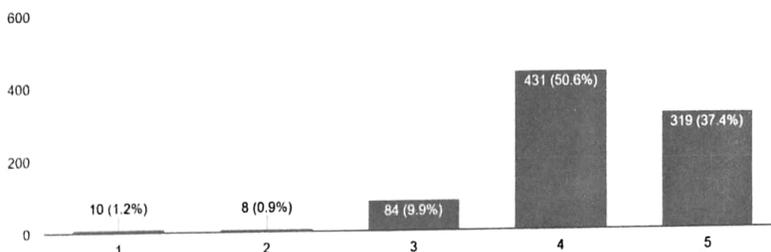

1. How do you rate the academic experience with SH College?  
848 responses

More than 85 % of the students noted a highly positive review to this question. Around 15% seemed dissatisfied. This response is highly motivating for the college. Any genuine issues commented on by the students were to be addressed.

### 2. Did you get the motivation to pursue higher education from your teachers at SH?

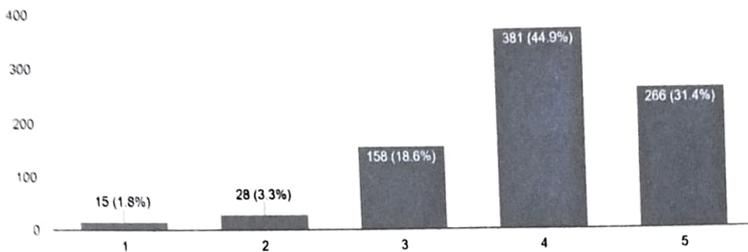

2. Did you get the motivation to pursue higher education from your teachers at SH?  
852 responses

To this question around 87% of students responded positively, but giving the 5 marks is low. Teachers are to be informed to include more activities and to motivate the students more. The low ratings of some responses are to be seriously taken into consideration.

### 3. Did you get the skills required to get employed in your particular area of study?

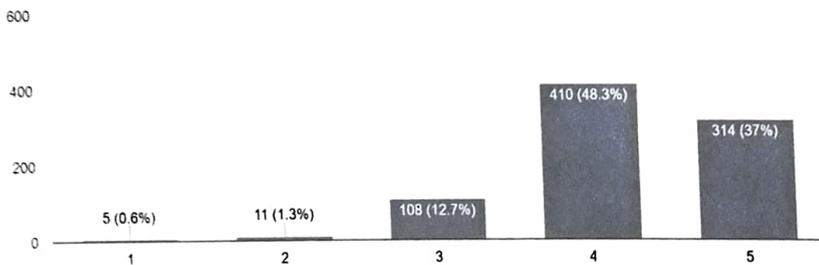

3. Did you get the skills required to get employed in your particular area of study?  
848 responses

Compared to the previous questions, this question got a comparatively low rating for the college (around 75%). More skill oriented certificate/ add-on courses and capacity building programmes are to be included along with the curriculum.

### 4. How do you rate the academic excellence of your teachers in college?

4. How do you rate the academic excellence of your teachers in the college?  
848 responses

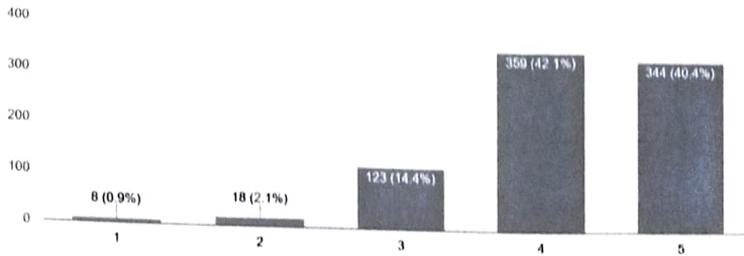

Students seem to be generally satisfied by the academic quality of the teaching staff. Staff with higher qualifications work in this institution.

## 5. How do you rate the academic environment of the college?

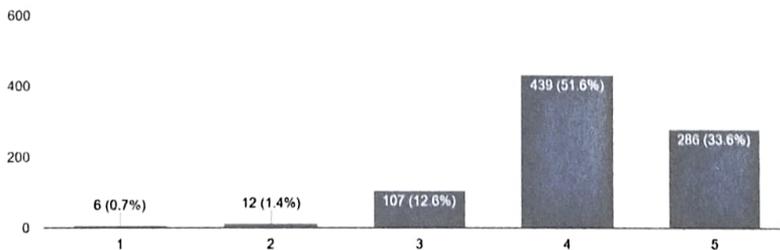

5. How do you rate the academic environment of the college?  
852 responses

More than 80% of the students responded positively to the question. But near to 20% seems not satisfied or neutral. More initiatives are to be taken to improve the academic environment of the college.

## 6. Did your teachers have the quality to guide you throughout the period of graduation ?

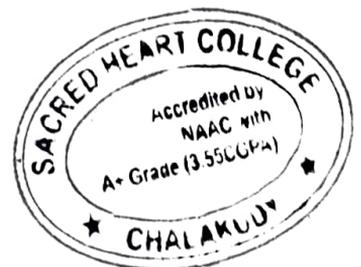

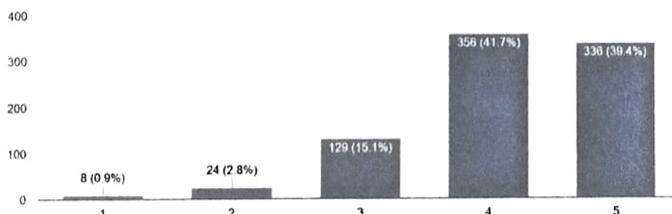

6. Were your teachers had the quality to guide you throughout the period of graduation ?  
850 responses

More than 80% of the passed out students are happy with the role the teachers played through the period of their graduation.

## 7. How do you rate the infrastructural facility of the college?

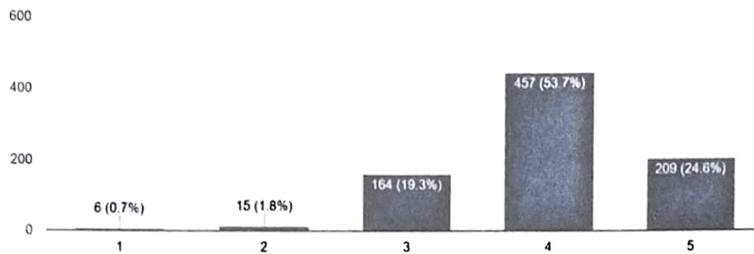

7. How do you rate the infrastructural facility of the college?  
853 responses

With comparison to the responses to other questions, the feedback was low. Only 70% of the students were satisfied with the infrastructure of the college. The flood of 2018 destroyed many facilities which were restructured only recently. More infrastructural facilities were to be included.

### 8. How do you rate the quality and applicability of the syllabus during your period of study?

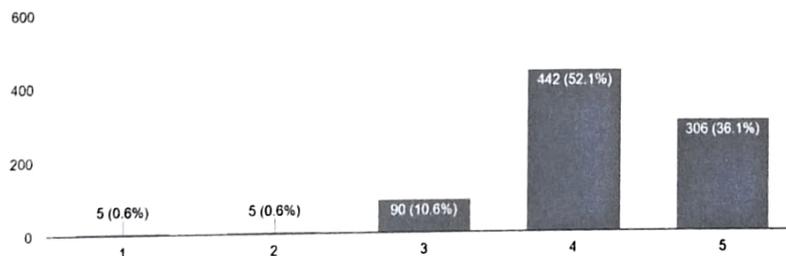

8. How do you rate the quality and applicability of the syllabus during your period of study?  
851 responses

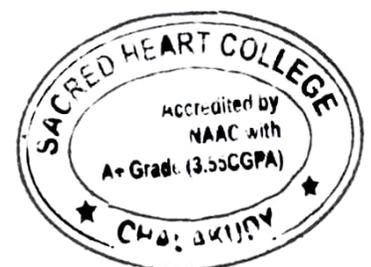

The suitability of the syllabus in an application level was low especially before the syllabus revision of 2019 which included an Outcome based Education system. The college can expect better quality of students in the passing out batches from 2022 onwards.

### 9. How frequent were the co curricular activities organized in the college?

10. How do you rate the safety within the campus premises?  
848 responses

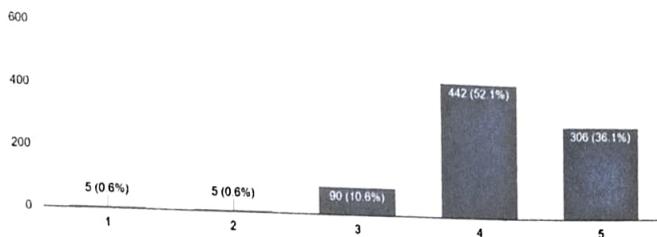

Nearly 90% of the students responded that they are happy with the co curricular activities of the college. College always organise a plethora of programmes for the students involving them.

## 10. How do you rate the safety within the campus premises?

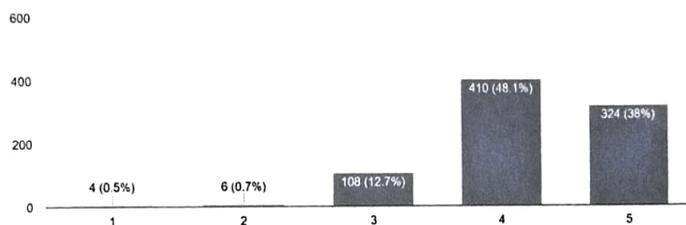

10. How do you rate the safety within the campus premises?  
848 responses

The campus was rated high for its safety and security. The CCTV cameras, security gates, night time watchman etc played an important part.

## 11. The toilet and other sanitation facilities in the college:

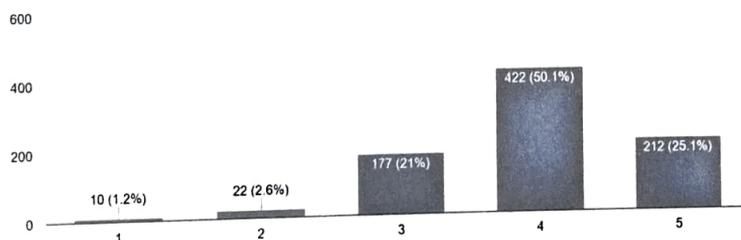

11. The toilet and other sanitation facilities in the college:  
852 responses

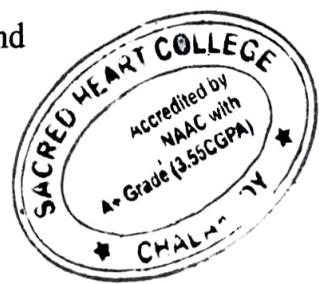

The facilities on the ground floor were completely destroyed in the flood of 2018 and the college managed to renovate them with modern facilities.

## 12. The canteen and refreshment facilities were :

12. The canteen and refreshment facilities were :  
843 responses

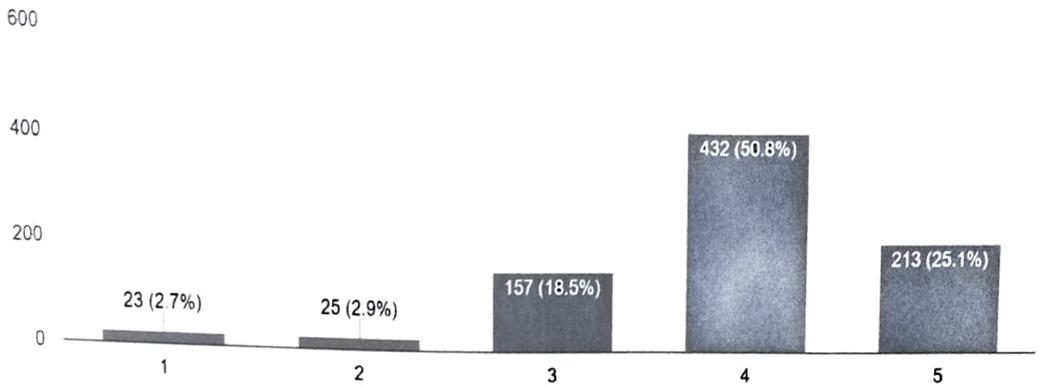

The canteen facility is the one which requires a serious renovation and maintenance. More spacious dining halls and furniture are required.

### 13. The reception and office staff were highly assistive

13. The reception and office staff were highly assistive

850 responses

More efforts are required to improve the quality and receptiveness of reception and office facilities as around 75% only responded with high rating.

### 14. How do you rate the career and placement cell of the college?

14. How do you rate the career and placement cell of the college?

804 responses

This is the most important aspect which requires serious revamp as more than 50% of the students responded negatively. More placement drives are to be organised in the college. The efforts were taken lately to attract more companies to the college.
