A digital server room with glowing blue light trails and binary code on the floor. The scene is set in a perspective view of a server aisle. The floor is dark blue with glowing white binary code (0s and 1s) arranged in a path that recedes into the distance. On either side of the path are server racks, each with a glowing blue light trail emanating from its top. The overall atmosphere is futuristic and high-tech.

*Celebrations*

The word "Celebrations" is written in a dark purple, cursive script. A thick, bright pink ribbon-like line starts from the bottom left, passes under the 'e' and 'l', and then loops under the 's' to end at the bottom right. A small pink star is positioned at the start of this line. To the right of the word, two balloons are depicted: a dark purple one and a bright pink one, both attached to a thin line that loops back under the word.
