The certificate showing the collection of waste materials by the Chalakudy Municipality after the flood of August, 2018.

CHALAKUDY MUNICIPALITY

Waste Materials Collection and Disposal Certificate

Sacred Heart College, Chalakudy is one of the worst affected by the destructive flood happened in Kerala between 15th-18th August, 2018. The flood level reached upto 9 feet height in the College and the important administrative ground floor, Principal's room, Physics laboratory, Chemistry laboratory, Computer Science laboratory and the Center of Excellence were all completely submerged in water for 4 days. The furniture, computers, lab equipments, chemicals, administrative paper files, etc. were damaged and were not able to use after the flood.

All the waste materials such as furniture, computers, plastic debris, papers and books, equipments, remained in the College after the flood were collected, removed and disposed jointly by the Disaster Management Division and Clean Kerala Mission of Chalakudy Municipality. The process was very laborious and the whole process was completed by 10th September, 2018.
