# **Employer Feedback form**

Employer feedback started taking off recently as direct placement drives started a few years ago. Many students have attended the off-campus placement drives as directed by the Career and placement Cell or by themselves. The feedback form was given to the employers via the students, but confidentiality is assured by the college regarding the inputs they have submitted. Consequently, the name of the company giving the feedback will be hidden in this file. The detailed list and details of the employers who participated in the feedback survey will be provided to NAAC if required.

### Sample sheet given to the employers
