

## **VISIT TO SSSMILE VILLAGE – ORGANIZED BY: DEPARTMENT OF ZOOLOGY**

### **Report –**

99 students (IIIDC, IIDC and I DC) along with 3 teachers (Dr. Jolly Thomas V, Dr. Tessy K.L. and Dr. V. Neetha) visited Sssmile village, a home for the under privileged to celebrate Christmas with the inmates on 16<sup>th</sup> December 2017. The students decided to forgo Christmas celebrations in the department that year and use that money to share with the underprivileged.

De Paul Sssmile village, was established by the Vincentian Congregation in the Catholic Church in India, as a Grand Jubilee Memorial of the Holy Year-2000. It was meant for the rehabilitation of people wandering in the streets. It is the realization of a dream to become privileged to serve the poor and the abandoned, wandering in the streets, by our loving, caring and healing touch - to keep them smiling, having given them the experience of God's tremendous love for them.

The Village has twenty homes for four hundred people who would come from the streets to reside in the Village. There are at any one point twenty people in one house. People from the streets include children, young people, elderly men and women, physically handicapped, mentally retarded, the blind, the lepers, drug addicts, mental patients, wandering families, unwed mothers with their children and such others.

The students of the department of Zoology were asked to bring any items that might be useful for the inmates such as grocery, bed sheets or clothes. All the students contributed what they could afford and when we reached Sssmile village we could hand it over to the inmates of the institution.

Each student tried to interact with the inmates of whom some were happy to talk to the young students, children were excited to meet outsiders, but some were not too happy to have their routine life disturbed. Our students however were not deterred and organized many programs for the inmates and cheered

them with skits, dances, mono acts and songs. This generated a sense of brotherhood and kinship among the students.
