

Visit to Pratheeksha Bhavan

Department of History-26/01/2017

As part of social service activities the students visited the orphanages and old age homes during all festive celebrations. This year we visited the Pratheeksha Bhavan in Irinjalakuda on 26/1/2017. Physically and mentally challenged students reside here. The visiting of this house gave an opportunity for our students to understand the problems and difficulties faced by the children of the pratheeksha Bhavan. Neenu Thomas, Class representative, coordinated the activities. 20 student volunteers visited the house. They interacted and entertained them by performing the cultural activities. Ms Meenu Jacob and Ms Smina M B, faculties of the department accompanied the students.
