

2019-2020

ONE DAY WORKSHOP ON “TECHNICAL WRITING USING LATEX” FOR THE PG STUDENTS IN COLLEGE LEVEL

Organised by Department of Computer Science on 28.01.2020

The department organised a one day workshop on “Technical Writing using LaTeX” for the PG students in College level on 28 January 2020. The sessions were delivered by Dr. Jisha Jose Panackal, Assistant Professor, Sacred Heart College Chalakudy. LaTeX is a high-quality typesetting system; it includes features designed for the production of technical and scientific documentation. It features a reliable program for typesetting, footnotes, bibliographic, images, captions, tables, cross-references. Latex is used extensively in research activities in different arenas and disciplines. Accordingly, the PG students from Physics, Chemistry, Mathematics attended the session along with the Computer Science students.
