

# **ONLINE STUDENT GUIDANCE PROGRAM ON "BRUSH UP YOUR RESEARCH SKILLS"**

**Organised by Computer Science on 21.09.2021**

The department organised a student guidance program regarding the new challenges in research as an eye-opener to the final semester Project “Brush up your research skills’ by Sreejith R, Thought Line Technologies, Technopark, Thiruvananthapuram on 21.09.2021. It was conducted in online mode.23 students from the PG section joined the session along with Dr.Sr. Miranto,HOD Computer Science Department and other teachers. Mr.Sreejith R was one of the alumni and this program was conducted as an orientation class for our students.He talked about the software field ,its advantages and trainings required.He also talked about gaining confidence and the preparations that is required to face an interview and the most possible questions the interviewer will ask. He even cleared the doubts of students and inspired them to follow the IT field.
