DENTAL CAMP 2021

ORGANISED BY NSS ON 24TH OF DECEMBER 2021

REPORT OF THE PROGRAMME:

There was a free dental camp organised in association with Bharat Dental Clinic led by Dr. Luca Joseph. 2 doctors along with nursing assistants were available in the camp at V.R. Puram government school on 24/12/2021. The main aim of the camp was to provide basic dental health education to the people and motivate dental hygiene maintenance. Normally the body's natural defences and good oral health care, such as daily brushing and flossing, keep bacteria under control. However, without proper oral hygiene, bacteria can reach levels that might lead to oral infections, such as tooth decay and gum disease. Maintaining your teeth isn't only about looking good. Poor dental hygiene can lead to problems that are much bigger than an unpleasant smile.This camp was carried out to identify the method to motivate dental health in the young generation and activate dental hygiene for the future society.

Student Online tutorials of Chemistry Experiments

Coordinated by the Department of Chemistry during 2021-22

With the need of moving to online classes due to the spread of coronavirus, there has been a sudden need to prepare the students and educators for a rapid change in working environment. We prepared a number of videos as a resource for teaching and presenting chemistry practicals for the students studying plus two and B.Sc Chemistry Complementary course as part of the extension activity of the department. In these videos, we share the experience of doing the experiment in the laboratory and the video is seasoned with the theory and method of the experiments.

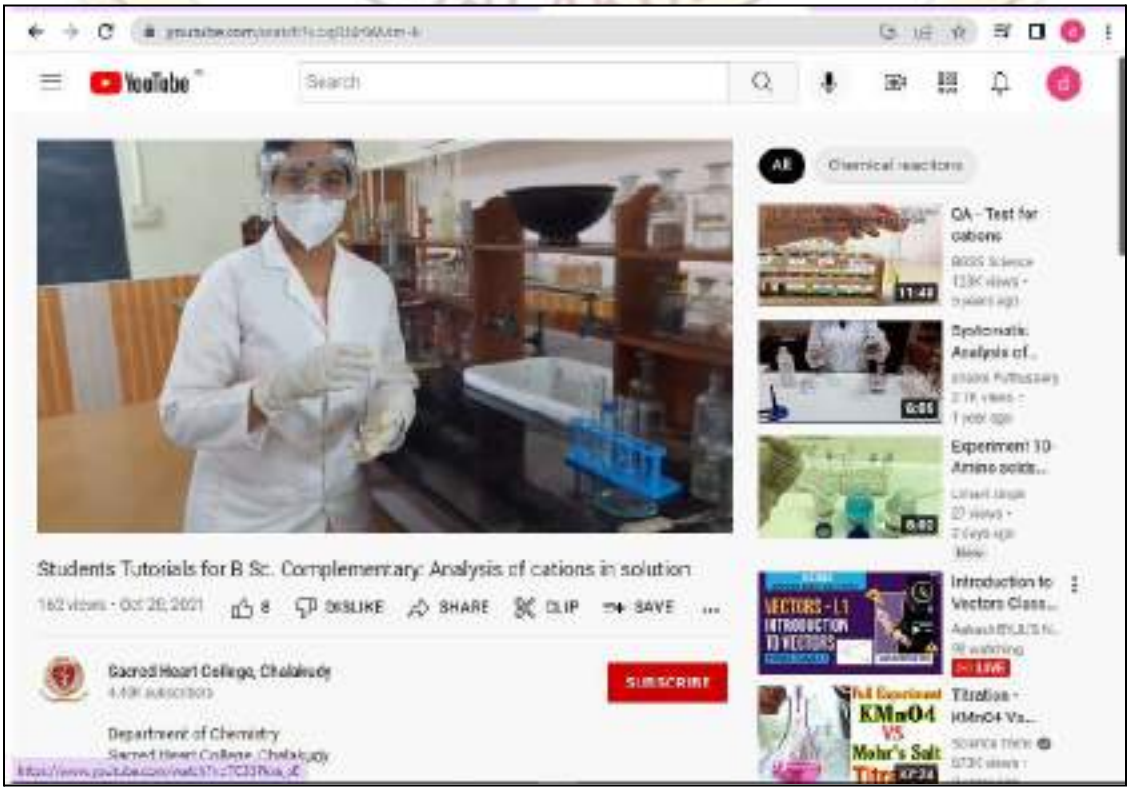

By taking part in the preparation of online tutorials, students acquired ICT skills and presentation skills which is an unavoidable tool in this digital world. These videos encourage the student learners to understand the core concepts of chemistry practicals thoroughly so that they could easily adapt to their classroom when the offline classes begin.

The online tutorial program is coordinated by Dr. Santhosh Paul, Assistant Professor and Head of the Department of Chemistry. The third year degree students and second year MSc students were divided into seven groups comprising five students. They actively engaged in preparing seven videos under the guidance of faculty of the department and these videos were published in the Youtube channel of our college.

WORKSHOP ON HYGIENE PRODUCTS

ORGANIZED BY CHEMISTRY DEPARTMENT ON 27 DECEMBER 2021

The Chemistry department conducted a Workshop on Hygiene Products at V.R. Puram for Kudumbasree members and NSS volunteers of the College on 27/12/2021. Kudumbashree is the poverty eradication and women empowerment programme implemented by the State Poverty Eradication Mission (SPEM) of the Government of Kerala. The name Kudumbashree in Malayalam language means 'prosperity of the family'. The name represents 'Kudumbashree Mission' or SPEM as well as the Kudumbashree Community Network. Kudumbashree has a three-tier structure for its women community network, with Neighborhood Groups (NHGs) at the lowest level, Area Development Societies (ADS) at the middle level, and Community Development Societies (CDS) at the local government level. The members of Kudumbashree Neighborhood groups in the V R Puram Locality attended the workshop.

Heena Peethambaran, Assistant professor on Contract, Department of Chemistry, Sacred Heart College, Chalakudy served as the resource person. Ward Counselor Mrs. Alice Shibu inaugurated the training programme. Student volunteers assisted the resource person for the smooth conduct of the extension activity of the department. All participants attended the session actively and got efficient training to prepare toiletries which are essential for their daily life.

Report of the Activities in 2021

Date of activity - October 2021 onwards.

This year, the Department of History offered the Open Course named Historical Tourism for the students as part of their V Sem course. The course requires the students to have a great deal of awareness among the students regarding the heritage and natural characteristics of different places in India and particularly in Kerala and its local areas. The creation of documentary is a part of the extension activity by the department through digital platform.

The students are asked to visit different places accessible to them and prepare a Documentary on the site. The location coordinates, means of transportation, history of the place and place name, important features of the site etc are described in detail in the video. There were several restrictions to access several places due to Covid pandemic. But students managed to prepare more than 20 documentaries. The students can prepare documentaries individually or they can do as a group activity.

Details- As part of the assignment for the students, they are asked to identify some of the heritage monuments or sites or art forms in their locality. This activity enabled the students to get aware of the social and cultural arenas around them. They had to do a short documentary video on the sam.e and send it to the faculty. The documentaries were released to the College Youtube Channel for the public to understand the heritage introduced by the students. The documentaries are released from the months of September and October 2021.

VISIT TO SANTHI BHAVAN

COORDINATED BY THE DEPARTMENT OF CHEMISTRY ON 16/12/2021

The department is committed to doing charity work every year as a part of social welfare activities. We visited Santhi bhavan this time. Santhi Bhavan Social Center For Physically Handicapped Chalakudy is a non-profit organization, established in 1978 that works primarily in the domain of Education. It provides residential facilities and training for physically and mentally challenged women. After finishing their training in Type writing, Computer, Book Binding and Tailoring, they would be able to earn their own livelihood by managing the phone Booth, Tailoring Center, Press etc. The organization also helps them to get jobs in the private and government sector.

The students of the department celebrated Christmas with the residents of Santhi Bhavan. 21 students of our department and all the faculty members of the Chemistry department spent quality time with them. Students conducted various entertainment programs for them. These visits help the students to develop social awareness skills such as empathy for others, managing and expressing emotions in relationships.Students prepared hygiene products such as hand sanitizers, hand wash and soap powders for the residents and donated the products there.

NIGHT SKY WATCHING

Organized by the Department of Physics on 27/12/2021

The Department organized and conducted a night sky-watching program on 27-12-2021 at V R Puram Govt. High school. The public in the locality of V R Puram in Chalakudy Municipality and NSS Volunteers of Sacred Heart College, Chalakudy participated. The programme started around 6.00 pm and extended up to 8.30 pm. NSS students and visitors turned up at the venue and attended the preliminary lecture handled by Dr. Nijo Varghese, Assistant Professor and Head of the Department of Physics, Sacred Heart College, Chalakudy. He further continued the event by giving a brief idea about the galaxies, the formation of stars, and how to locate the constellations to know the stars – Polaris, Sirius, Betelgeuse, Rigel, Vega and many more. He introduced Stellarium, a planetarium software that shows exactly what you see when you look up at the stars and demonstrates its working. After that, the telescope was arranged to view different celestial objects.

The participants extremely benefited from this event as it was a rare opportunity to have a closer look at the night sky through an 8” telescope. This programme aimed at giving a basic awareness of astronomy thus helping to improve scientific temper and to give a glimpse of the magnificent world of the cosmos.

Following is the brochure of NSS Camp written in the Malayalam language in which the sky-watching program at 6.00 pm on 26/12/2021 is highlighted in red square.

ഊർജ്ജ സംരക്ഷണത്തിന്റെ ആവശ്യകതയും അതിനുള്ള മാർഗങ്ങളും പൊതുജനങ്ങൾക്ക് പകർന്നുനല്കാനും സംസ്ഥാനതലത്തിൽ ഊർജ്ജ സംരക്ഷണ പ്രവർത്തനങ്ങൾക്ക് രൂപംനൽകി നടപ്പിലാക്കാനുമായി ഇന്ത്യയിൽത്തന്നെ ആദ്യമായി സ്ഥാപിതമായ സംസ്ഥാനതല ഊർജ്ജപരിപാലനകേന്ദ്രമാണ് ഊർജ്ജ വകുപ്പിന്റെ കീഴിൽ പ്രവർത്തിക്കുന്ന **എനർജി മാനേജ്മെന്റ് സെന്റർ കേരള (ഇഎംസി)**. ഇഎംസിയുടെ പരിശീലന ബോധവൽക്കരണ പരിപാടികളിൽ സുപ്രധാനമായ ഒന്നാണ് 2015 മുതൽ നടത്തിവരുന്ന **ൽ** ആരംഭിച്ച **ഊർജ്ജ കിരൺ പദ്ധതി**. പ്രാദേശികതലത്തിൽ സന്നദ്ധസംഘടനകൾ, കോളേജുകളിലെ നാഷണൽ സർവീസ് സ്കീം തുടങ്ങിയവയുടെ പങ്കാളിത്തത്തോടെ പൊതുജനങ്ങൾക്കായി നടത്തുന്ന ഊർജ്ജ സംരക്ഷണ പരിശീലന-ബോധവൽക്കരണ പരിപാടിയാണ് ഇത്. കേന്ദ്ര നവീകരണ മന്ത്രാലയത്തിന്റെ സെന്റർ ഓഫ് എക്സലൻസ് ആയി തിരുവനന്തപുരത്ത് പ്രവർത്തിക്കുന്ന സെന്റർ ഫോർ എനിറോമെന്റ് ആൻഡ് ഡെവലപ്മെന്റാണ് ഈ പദ്ധതി സംസ്ഥാനമൊട്ടാകെ ഏകോപിപ്പിച്ച് നടപ്പാക്കുന്നതിനുള്ള റിസോർസ് ഏജൻസിയായി പ്രവർത്തിക്കുന്നത്.

ഊർജ്ജ കാര്യക്ഷമതയും ഊർജ്ജ സംരക്ഷണവും എന്ന പൊതു വിഷയത്തിന് പുറമേ ഈ വർഷത്തെ ഊർജ്ജ കിരൺ പരിപാടിയിൽ പ്രധാനമായി ചർച്ചചെയ്യുന്ന വിഷയമാണ് "ഗോ ഇലക്ട്രിക്" എന്നത്. കേന്ദ്ര ഊർജ്ജ മന്ത്രാലയത്തിന്റെ കീഴിലുള്ള ബ്യൂറോ ഓഫ് എനർജി എഫിഷ്യൻസി (ബി.ഇ.ഇ) സംസ്ഥാന സർക്കാരുകളുടെ സഹകരണത്തോടെ കഴിഞ്ഞ പരിസ്ഥിതിദിനത്തിൽ ഉദ്ഘാടനം ചെയ്ത് നടപ്പാക്കിവരുന്ന പദ്ധതിയാണ് "ഗോ ഇലക്ട്രിക് കാമ്പയിൻ". രാജ്യത്തെ ഗതാഗതത്തിന്റെ 100 ശതമാനവും വൈദ്യുത വാഹനങ്ങളിലേക്കും ശുദ്ധവും സുരക്ഷിതവുമായ വൈദ്യുതി ഉപയോഗിച്ചുള്ള പാചകത്തിലേക്കും നയിക്കുക, ഇന്ധന ഇറക്കുമതി ആശ്രിതത്വം കുറയ്ക്കുക, കുറഞ്ഞ കാർബൺ സമ്പദ്വ്യവസ്ഥയുടെ പാതയിൽ മുന്നോട്ട് പോകുക, കാലാവസ്ഥാ വ്യതിയാനത്തിന്റെ പ്രതികൂല ആഘാതത്തിൽ നിന്ന് രാജ്യത്തെയും ജനങ്ങളെയും രക്ഷിക്കുക എന്നതാണ് ഈ കാമ്പയിന്റെ പ്രധാന ഉദ്ദേശ്യം. **ആസാദി ക അമൃത്** മഹോത്സവത്തിന്റെ ഭാഗമായിട്ടുകൂടിയാണ് ഈ വർഷത്തെ പരിപാടികൾ സംഘടിപ്പിക്കുന്നത്.

ചാലക്കുടി അസ്സംബ്ലി നിയോജകമണ്ഡലത്തിൽ ഈ പരിപാടി നടപ്പാക്കുന്നതിന് ഇഎംസി തിരഞ്ഞെടുത്തിരിക്കുന്നത് **സേക്രഡ് ഹാർട്ട് കോളേജ്** നെയാണ്. പരിപാടികളുടെ ഔപചാരികമായ ഉദ്ഘാടനം ഡിസംബർ 2-ം തിയതി ബഹുമാനപ്പെട്ട എംഎൽഎ ശ്രീ ടി. ജെ. സനീഷ് കുമാർ ജോസഫ് നിർവഹിച്ചു. തുടർന്ന് ഒരു ബോധവൽക്കരണ റാലിയും അതിനു ശേഷം ഊർജ്ജ സംരക്ഷണ പ്രതിജ്ഞയും ഒപ്പുശേഖരണവും നടത്തി.

NATIONAL INTEGRATION DAY

ORGANISED BY NSS ON 19 NOVEMBER 2021

National Integration Day is on November nineteenth every year on the birth anniversary of the state's first lady high Minister, Indira Gandhi. The day is likewise known as Quami Ekta Diwas. National Integration Day is celebrated in association with the birth anniversary of India's first women Minister Indira Gandhi to honour her recollections and contributions in strengthening India's democratic structure. It is to promote the message of maintaining solidarity and integrity with some of the citizens of India, regardless of their forgery, colour, language, faith and societal status. Country wide integration is the notice of a not unusual identification amongst citizens of the country, because of this even though we belong to one-of-a-kind religions and communicate extraordinary languages, we comprehend the reality that we are all one. National Integration arises via the behaviour and backbone of residents. NSS units celebrated national integration day.

In association with Nehru Yuva Kendra, Chalakudy NSS units organised a declamation contest on the topic 'Patriotism and nation building' at Sacred Heart College, Chalakudy. Students and the public from the neighbouring colleges and localities took part in the competition and three were selected for the district level competitions. Koratty panchayath Member Adv. Sumesh K.R. inaugurated and addressed the gathering.

MIME - ELIMINATION OF VIOLENCE AGAINST WOMEN

ORGANISED BY NSS ON 10th DECEMBER 2021

Violence can negatively affect women's physical, mental, sexual, and reproductive health. We need to address these misconceptions to be successful in our responses to violence against women and their children thus, in association with Sakhi- one stop centre, Thrissur, NSS volunteers performed a mime at S.H. College and Chalakudy railway station to spread the message of elimination of all kinds of violence against women on 10th December To achieve lasting change, it is important to enact and enforce legislation and develop and implement policies that promote gender equality; allocate resources to prevention and response; and invest in women's rights organizations.

The Government of India has directed all States and Union Territory Administrations for the establishment of One Stop Centres for women affected by violence. Under this Scheme, in the first phase, one OSC will initially be established in each State/UT with the financial support of GOI.

One Stop Centres are intended to support women affected by violence, in private and public spaces, within the family, community and at the workplace . Women facing physical, sexual, emotional, psychological and economic abuse, irrespective of age, class, caste, education status, marital status, race and culture will be facilitated with support and redressal. Aggrieved women facing any kind of violence due to attempted sexual harassment, sexual assault, domestic

violence, trafficking, honour related crimes, acid attacks or witch-hunting who have reached out or being referred to the OSC will be provided with specialized services. These centres will provide a range of integrated services under one roof to the women affected by violence. Intended facilities and services at OSC include transportation, medical assistance and facilitation in dealing with the police, legal aid, psychosocial counselling and temporary shelter if required.

OLD AGE HOME VISIT

ORGANISED BY NSS ON 4 JUNE 2021

On 4th June, 2021, NSS students visited St.Joseph's Aged Home. Selected NSS volunteers actively participated in these visits, which helps to inculcate a sense of social commitment among NSS volunteers. Students are actively involved in the interaction with the inmates. These deeds enable the students to support the people who have been isolated in the community. Many morals and life lessons were outright in front of the students' eyes from which they learned to evolve into better human beings and reciprocate feelings and emotions on a different level. Age aids in gaining wisdom, the longer you live in this world the better you understand the deeds, needs and greeds of it. Spending time with people who have a lot more experience than the student made them realise the beauty and pain of the world and the importance of living and enjoying the moment.

World Environment Day 2021

Date: 9th June 2021

Online platform: Google Meet

No. of Participants: 46

Report

5th June is celebrated the world over as Environment Day. Since it was first conducted in 1973, it has served as a place for bringing attention to environmental issues such wildlife crime, overpopulation, global warming, and marine pollution. Every year, more than 143 countries participate in World Environment Day, a global forum for public outreach.

Over the past 50 years, millions of people have participated in World Environment Days under the leadership of the United Nations Environment Programme (UNEP), inspiring national and worldwide environmental policies. Every World Environment Day has a different subject, including topics such as wildlife crime, global warming, sustainable consumption, and marine pollution.

Ecosystem restoration was the main topic of discussion for World Environment Day 2021, which had the slogan "Reimagine. Recreate. Restore." The ecosystems of the globe have been abused and destroyed by humanity for far too long. A football field's worth of forest is lost globally every three seconds, and half of all wetlands have been destroyed over the past 100 years.

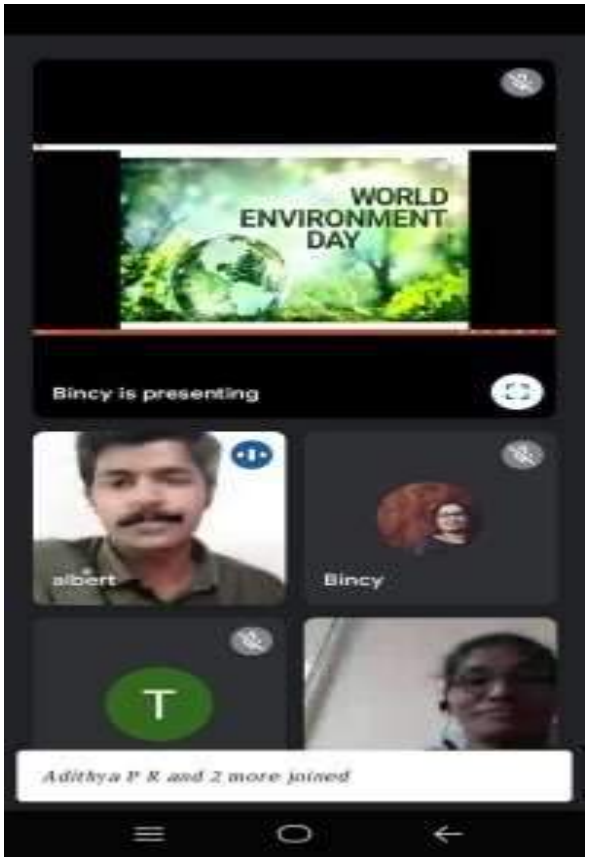

Department of Zoology brought significance to the celebrations in spite of the various restrictions due to lockdown by organising a webinar on “Importance of world environment day celebration” by Beat Officer, Mr Albert Pauly, Department of Forests, Kerala. He enumerated the different ways in which such celebrations bring awareness among the general public about the importance of our environment. As the students were also keen on knowing how to enter the forestry service he also shared his experiences of his job requirements and what his day was like as a Beat Officer.

Outcome – Students were able to connect to the theme of the environment day celebrations. The students organised the event right from contacting the resource person to participating actively in the webinar.

Plastic Bag Free Day - Celebrations

3rd July 2021

Venue: College premises

No. of volunteers – 20 students of the department of Zoology.

Report –

The International Plastic Bag Free Day is held on July 3 around the world to spread awareness that a plastic bag free world is possible and that sound environmental alternatives to single use plastic bags are available. 2022 is the 13th edition of the celebrations. The day is an initiative by Bag Free World for the purpose of getting rid of the single-use of plastic bags around the world and promoting environmental conservation by encouraging us all to stay away from the use of plastic bags and instead look for more eco-friendly alternatives.

Plastic pollution is a global catastrophe and sadly it is a man-made one. Approximately 500 billion plastic bags are used on a global scale which is having an extremely detrimental effect on the environment, wildlife and also on human health.

The marine ecosystem in particular is suffering immensely as a result of plastic pollution. This pollution is also extremely dangerous because it is leading to the transportation of invasive species, which can have a catastrophic influence on biodiversity. Plastic particles in the ocean attract toxins, which in turn affects us, as the toxins enter the food chain. Plastic bags remain in the world for anywhere from 100-500 years before finally decaying completely, and have a profound impact upon our environment as a result.

International Plastic Bag Free Day was created as a worldwide initiative for the purpose of getting rid of the single-use of plastic bags around the world. It is all about promoting environmental conservation by encouraging us all to stay away from the use of plastic bags and instead look for more eco-friendly alternatives.

Department of Zoology wanted to create this sense of awareness among the students of Sacred Heart College. For this paper bags were made by the students using old paper. The students then distributed these among the different departments. The teachers were happy to receive paper bags and appreciated the efforts of the students in taking such an initiative.

Outcome – the students were able to understand the importance of saying no to plastics by creating awareness about it among their fellow students.
