PROFESSIONAL ETHICS FOR TEACHERS

The Department of Higher and Professional Education of the National Institute of Educational Planning and Administration (NIEPA), New Delhi is carrying out a research study on "Library Facilities in Indian Undergraduate Colleges and its impact on Students' Academic Performance"

Ms. Sangeetha Angom from National Institute of Education Planning and Administration visited the college library in connection with a research study on "Library Facilities in Indian Undergraduate Colleges and its impact on Students' Academic Performance". The present study was undertaken by the Department of Higher and Professional Education of the National Institute of Educational Planning and Administration (NIEPA), New Delhi and Sacred Heart College was selected as one of the case study institutions. Questionnaires were collected from the principal, teachers and students. She also conducted focus group discussion with all the stakeholders.
