Bridge Course

A three-day bridge course was conducted for the students of first year B.A.English.The Bridge course was meant to connect the students with the realm of English literature and to create an ambience relevant for the study of literature.The basic ideas related to English literature and the various genres of literature were imparted to the students.The course helped the students overcome strangeness of the new course and created in them an awareness about the significance of reading ,beyond the confines of the syllabus
