WORKSHOP ON LED STAR MAKING

As a part of Skill development training programme,Department of physics conducted LED star making workshop on 01-12-2022 for I DC,II DC,IMSc physics students.They were given training to assemble LED Stars of different patterns.The programme was held at BSc physics lab. Ms. Fency K.F, Faculty of the department and lab technician Mr. Jaison Thomas gave the students the required instructions and guidance. The sale of the stars was inaugurated by Dr. Sr. Irene.20 LED stars were sold to the students and staff of the college. The workshop enhanced the practical implementation of the knowledge to the students and also gave a small idea on marketing their skills.
