Inauguration of the Association of Zoology Department: Exploring Career Opportunities in Research

Venue – Clare Hall

Date – 1 December 2022

Introduction:

The inauguration of the Association of Zoology Department was held at Clare Hall 1st December 2022. The event aimed to provide students and faculty members with insights into career opportunities in research and related disciplines.

The inauguration ceremony commenced with a warm welcome address by Dr. Tessy KL, Head of the department of Zoology, highlighting the importance of academic associations in promoting interdisciplinary collaboration and knowledge exchange. Distinguished chief guest of the day was Dr. Joseleen Jose, Principal Scientist, Shellfish Fisheries Division, Central Marine Fisheries Research Institute, Kochi. Faculty members, and students gathered to celebrate the launch of the association and its mission to advance the frontiers of zoological research.

This was followed by an inauguration by lighting of the lamp to commemorate the beginning of the events to be organised by the Department of Zoology. This was followed by a technical session on the topic “The prospects of shell fish culture especially on crab culture” by the chief guest. She shared valuable insights into the evolving landscape of zoology and emphasized the myriad career opportunities available to aspiring researchers.

The lecture was followed by an interactive sessions designed to facilitate dialogue between students and professionals. Participants had the opportunity to pose questions, seek guidance, from the chief guest. The interactive nature of the sessions fostered a sense of community and camaraderie among attendees, inspiring collaboration and mentorship opportunities.

In conclusion, the inauguration of the Association of Zoology Department provided a platform for students and faculty members to explore career opportunities in research and related disciplines. Through insightful discussions, interactive sessions, and collaborative endeavors, the event reinforced the department's commitment to nurturing the next generation of zoologists and advancing knowledge in the field. As the association embarks on its journey, it is poised to make significant contributions to the field of zoology and inspire future generations of researchers and scholars.
