Meeting started with a silent prayer.

Dr Sr Mini T V, Chairperson of the BoS introduced and welcomed all members to the meeting. She then presented the agenda of the meeting.

The following are the points discussed and concluded during the meeting:

1. The Board recommended to offer courses for the current academic year as per the existing Calicut University prescribed syllabus for MSc Computer Science, BSc Computer Science (Minors and MDCs) courses and newly introduced BCA course.

2. The discussions initiated by Dr Mendus Jacob, with the prospects of Courses on Cloud Computing and Data Analytics for the upcoming years.

3. Dr. Rajesh R recommended to start new courses for various disciplines with slight modifications in the syllabus for second semester onwards. For instance, courses like Data Science and Python can be offered separately for Social Scientists and for Science disciplines.

4. Mr Diju Thampi added the importance of AI technology in the current era and the scope of Digital Marketing and Medical Data Analytics.

5. Dr, Lajish V L suggested conducting the internships and industry collaborations for the better career opportunities. The industry collaborations for conducting practical sessions in the open ended module is also suggested. He also recommended to offer bridge courses for students from various streams by industry personals.

6. Board suggested innovative teaching methods for practical and hands-on sessions. Students can learn any programming language in hands on mode which will also help them for the practical sessions.

7. The Board also discussed the possibility of starting Integrated MSc Computer Science course in future.

The meeting is adjourned by 12.30 pm.
