2. Duration of the exam and mark.

All the internal examinations should be clearly notified the duration and mark of the university examinations.

Scanned with CamScanner

3. Time of examinations

The time of examination clearly should be during the normal working hours of the college. However, the faculty concerned, with the consent of the HOD, may fix a time as per specific requirements (availability/availability of mobile devices for the students, for example, it is 7.30 PM).

4. Mode of Examination

The mode of the examination could be MCQ or descriptive or oral. HODs can decide the mode of examination. For MCQ questions, you may also include questions requiring critical thinking / analytical skills also.

5. General instructions

- The departments should keep a hard copy of the timetable of examination. (Timing shown in the timetable should be during the college hours)
- Faculty in charge of each department should inform the students about the date and time of the examination.
- The departments should keep a hard copy of the question papers.
- Students should be informed not to attend in independence while attending the exam. For any internal papers that internal examinations can be conducted.
- Marks obtained by the students should be entered in the mark book after converting to the university mark equivalent.
- If any student is absent, the concerned faculty should make alternate arrangements for conducting the exam.
- In the weekly work report, please mention "internal examination" in the "performance / overall status".
- Please take care not to create stress for the student that may arise due to your internet connectivity / load/other data / failure of electricity etc as such issues may turn out to be sensitive.
