

COLLEGE DAY 2018

ORGANISED BY UNION 'DHAKSH' ON 08/02/2018.

REPORT OF THE PROGRAMME:

The annual college day celebration is organised by the management and students with great interest and enthusiasm. It provides an opportunity to assess the achievements of the college. The students are actively involved in all the segments of the programme. Rather, they manage all the activities by themselves. As this day falls right next to the sports day celebration, the energy and the spirit of the students always stays high.

The curricular and co-curricular activities have equal significance in the teaching – learning process. So, development of infrastructure to meet adequate requirements for both is essential. In any institution a lecture hall, computer lab, library are essential, equally auditorium, conference hall are important – which is very effectively being adopted in SH campus. Our College Day was held on 08/02/2018.

Date: 08/02/2018

Venue: College Auditorium
