

PRINCIPAL'S FEAST

ORGANISED BY UNION ON 1 OCTOBER 2018

Principal's feast was celebrated on 1 October 2018. This was the very first programme held after the 2018 flood which affected the college drastically. Principal's feast day is celebrated on the death day of the saint "**Little Flower**". On this day the college began with a holy mass at the chapel with all the Christian faculties and students. The official programme was coordinated by the college union and was started by 10:30 am. The Union organised various programmes and events. The programmes were started by the cake cutting ceremony in the presence of College Director Sr.Lalitha Treesa followed by a skit performed by our students of the saint's biopic. Flash mob followed by various dance and music shows were performed by the students. Competitions like angel dance and card making were also conducted and the winners were awarded with gifts. All the classes from various departments made a variety of cards wishing festal greetings to the Principal. All the students were given sweets and the programme ended in the afternoon.
